Reveal Crossroad Plan

State Submits Overpass Sketch To Supervisors

The long-awaited plan of the State Division of Highways for the Orinda Crossroads potion of the Freeway was presented to the Board of Supervisors Tuesday.

The $1,500,000 project may be stated in 1953 if sufficient funds are budgeted by the State Highway Commission this fall.

It would include widening of a one-mile section of Mt. Diablo Boulevard to six lanes, an underpass about 400 feet southwest of the pesent Crossroads intersection, an arrangement of two cloverleafs to route traffic toward Lafayette and Walnut Ceek and toward Oakland, and a relocation of Golden Gate Road to allow traffic from Oakland to poceed to the Moraga side or Orinda Village.

The plan allows for ultimate provision for eight taffic lanes as far as Lafayette.

THE PROPOSED FREEWAY agreement for the Crossroads was presented to the county for appoval by the Board of Supervisors, according to State Public Works Director Frank B. Durkee.

The supevisors turned the proposed agreement over to the district attorney's office for checking, and continued the matter until next Tuesday.

The State Department of Public Works described the Crossroads project as a proposal for "major improvement of the Orinda Crossroads on State Sign Route 24."

CONSTRUCTION would entail relocation of some county roads and closure of certain existing roads. The state highway would be widened on the north side and necessary on and off ramps would be built.

The proposed agreement between the Highways Division and the county provides that construction cost of relocating county roads will be borne by the state, and that upon completion the county will resume control and maintenance of the relocated roads not part of the Freeway.

The stretch covered by the proposed agreement extends along Mt. Diablo Boulevard from five-tenths of a mile west of the present Crossroads intersection to four-tenths of a mile east of the intersection.

By previous action of the State Highway Commission in 1945 and 1949, the route location between the Broadway Low Level Tunnel and Walnut Creek was adopted and declared a freeway.

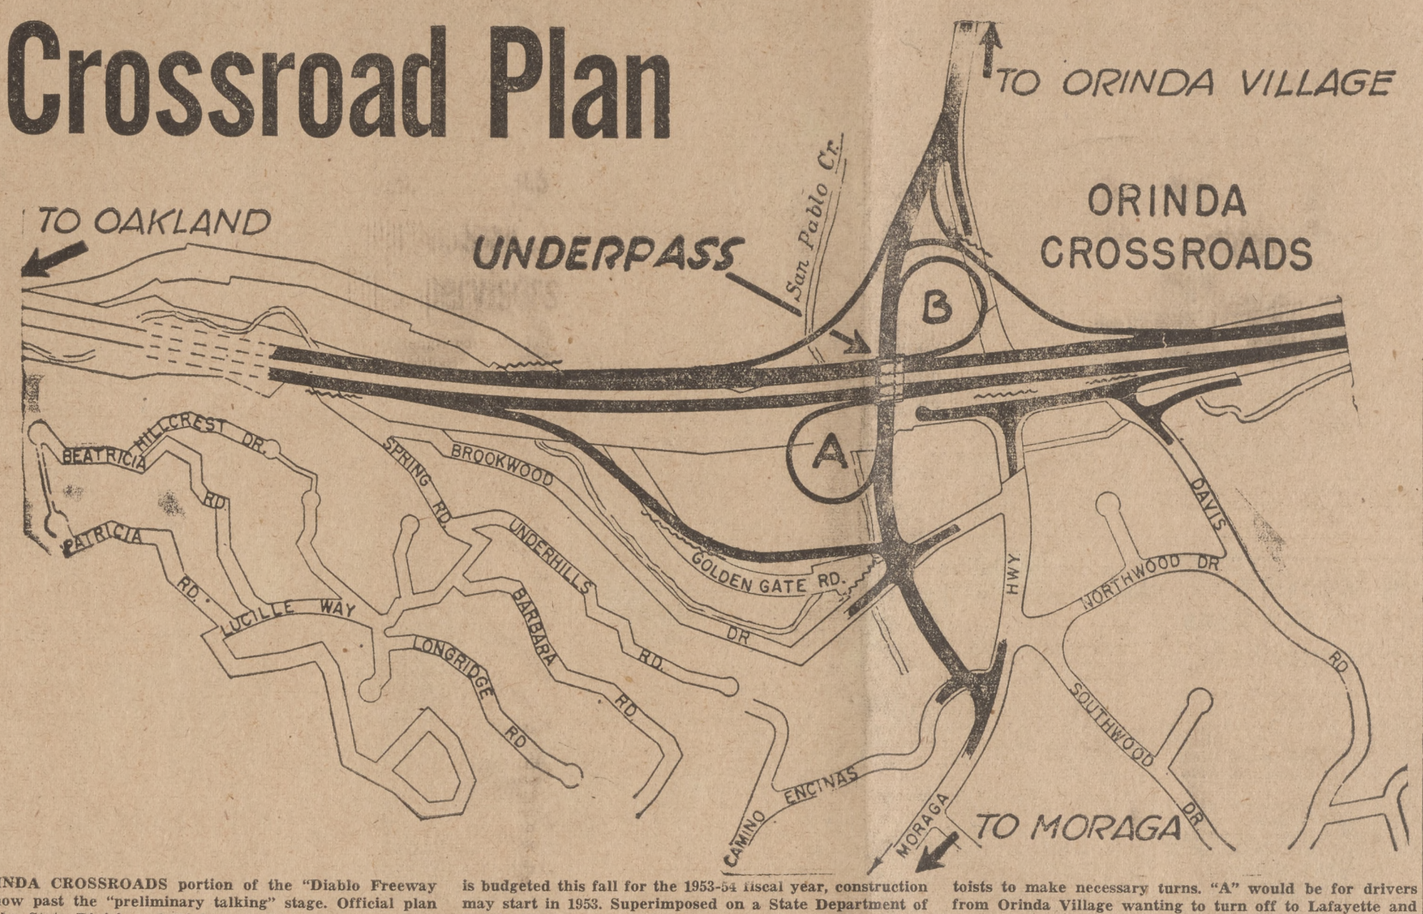
FUNDS FOR PURCHASE of right of way for the proect at Orinda Crossoads are included in the current state highway budget but construction funds are not in the current budget.

However, State highway officials are in agreement with local authorities and civic groups that the improvement of the Orinda Crossroads intersection is one of the most urgently needed projects on the Contra Costa County portion of the State Highway System.

Average daily traffic on the state highway exceeds 31,000 vehicles, with a much hevier flow on certain days, and more than 3000 vehicles an hour during peak periods. This congestion is complicated by a large volume of cross traffic and turning movements, creating a traffic problem far beyond the capacity of the present four-lane chanelized and signalized intersection.

ACCORDING to District Engineer L. A. Weymouth, two service stations and a restaurant would be forced to move so that the construction could be carried out. Weymouth said removal would be undertaken as soon as construction funds are available.

(The service stations are the Associated and Shell stations; the restaurant is the Cross Roads.)



ORINDA CROSSROADS portion of the "Diablo Freeway is now past the "preliminary talking" stage. Official plan of the State Division of Highways, shown here, was presentetd to the Contra Costa County Board of Supervisors Tuesday. All that's needed now to get construction started is $1,500,000, which must be budgeted by the State Highway Commission before work can get under way. If the amount is budgeted this fall for the 1953-54 fiscal year, construction may start in 1953. Superimposed on a State Department of Public Works map, the plan shows proposed widening to six lanes of Mt. Diablo Boulevard for approximately a half mile on each side of the present Crossroads intersection. An underpass would be constructed about 400 feet southwest of the intersection, and cloverleafs A and B would enable motoists to make necessary turns. "A" would be for drivers from Orinda Village wanting to turn off to Lafayette and Walnut Creek. "B" would be for Moraga Highway traffic turning toward Oakland. Golden Gate Road (the Old Tunnel Road) would be relocated, to allow motorists from Oakland to drive to either the Moraga side or Orinda Village.

Vol. X, No. 13 — Lafayette — Orinda, California — Friday, June 13, 1952 — Ten Cents

Highway Federation Urges State Funds For Start of Diablo Freeway in 1953

Urgent request for budgeting of funds to enable start of "Diablo Freeway" construction in 1953 was made yesterday to the State Highway Commission in Sacramento by the Diablo Highway Improvement Association.

The federation presentation was offered by Elliott J. Hartman, chairman of the organization. His arguments were bolstered by remarks by City Attorney John A. Nejedly of Walnut Creek regarding problems in relation to the projected Walnut Creek By-Pass.

"Of most importance and the most critical need," Hartman said, "is an overpass (or underpass) at Orinda Crossroads. The engineering plans for this structure were submitted to the Contra Costa County Board of Supervisors for their approval two days ago.

"WE URGENTLY petition you to include funds for construction of at least this portion of the Diablo Freeway in your next budget."

Hartman referred to last week's approval by Contra Costa voters of the $10,250,000 county road bond issue. "Our county is doing its part," he pointed out, "but construction of new state freeways is most urgently needed.

"This federation worked hard to secure passage of the bond issue, and now is appearing before you to urgently request immediate action on the 'Diablo Freeway'"

Hartman also said:

'The Diablo Highway Improve-

(Continued on Page 3)

Improvements Set For 2 Local Roads

Plans and specifications for improvement of Overhill Road and Glorietta Boulevard were approved by the Board of Supervisors Tuesday, on recommendation of County Road Commissioner Victor W. Sauer. July 1, 3 p.m., was set for opening of bids.

The plans, to cover a total of 2.65 miles, call for a plant mix surfacing on the entire project and for a three-inch crusher run on a portion.

The board awarded J. M. McCosker of Berkeley the contract for improvement of Miner Road and Don Miguel Road, on McCosker's low bid of $60,189.30. There were three other bidders.

A request was received from the Orinda School District asking for annexation of the Sleepy Hollow school site area to the Orinda Fire District. However, the description was not considered adequate, and the school district was asked to get in touch with the county assessor.

Orinda Schools Superintendent Joseph L. Sheaff said yesterday that he had talked with County Assessor Justin A. Randall, and that, at Randall's suggestion, the school district will wait until the final four acres of the Sleepy Hollow site are purchased after July 1 and then will seek Fire District annexation of the entire parcel.

Award Diplomas Tonight to Record Graduating Class

A record class of 71 eighth graders of the Orinda School District will receive diplomas at commencement exercises at the Orinda School auditorium tonight.

The program will begin at 8 with a salute to the flag by Allan Sutton. Rev. David Harfington will offer the invocation. The graduating class will sing several selections, accompanied by Carol Miller and directed by Charmaine Barr. Mike Laurenson will present the class gift, which will be accepted by Phyllis Dail.

Lions Club President Walter Friberg will present the Lions Club Composition Awards to Elizabeth Rogers and Marjorie Fish.

James Comer and Philip Lambert, the two eighth grade instructors, will make the presentation of the class of 1952 .

President Edgar Stewart of the Orinda School District Board will award the diplomas.

The class will sing its class song. The program will conclude with the entire assembly singing "The Star Spangled Banner."

Grass Fire On El Gavilan

A small grass fire at El Gavilan Court was the only fire damage reported for the past week by the Orinda Fire Department.

Slightly less than an acre of brush and grass was destroyed.

Woman, Child Hurt in Crash

A woman and her three-year-old daughter were injured when the car in which they were riding, driven by an Orinda woman, collided with another car on Mt. Diablo Boulevard west of Hough Avenue, Lafayette, last Saturday afternoon, according to the California Highway Patrol.

They were Mrs. Kay Engelbrecht, 27, of San Francisco and Janet Engelbrecht. The patrol reported that the injuries were apparently not serious, since the passengers went to a doctor of their own accord.

The two were in a westbound car driven by Helen Humble, 28, of Don Gabriel Way. About 75 feet west of Hough Avenue the rear of the car was struck by a westbound car driven by David Janes, 32, of Concord.

The rear of the Humble car was damaged, as was the front of the Jones vehicle. The accident occurred at 1:40 p.m., the Highway Patrol reported.

Guild Sponsors Straw Hat Night

The Women's Guild of Orinda Community Church will sponsor the Straw Hat Revue at Lafayette Town Hall the evening of June 30. The all-new review is called "No Worse for Wear."

Reservations for Guild night may be made through Mrs. Challiss Gore, Orinda 2554, or Mrs. A. B. Henry,

Sewer Board Acts To Form L.I.D. For Overhill Rd.

Authorization to proceed with plans and specifications for formation of a local improvement district along Overhill Road has been given by the Central Contra Costa Sanitary District Board to District Engineer Gerry A. Horstkotte Jr.

The proposed L.I.D. would sewer 16 homes and seven lot sites along Overhill Road.

ROBERT ALLINGHAM and George Nelson appeared before the district Board of Directors last week and presented a petition asking that the project be undertaken as soon as possible. The petition was signed by the 16 home owners and the owner of four of the lots.

Two other actions affecting Orinda were taken at the June 5 meeting at the Sanitary District office at 1822 Mt. Diablo Boulevard, Walnut Creek.

ANNEXATION OF SIX acres of East Bay Municipal Utility District property along the west side of Orinda Highway was approved, for a $750 fee. E.B.M.U.D. General Manager and Land Agent Phil Wagner were present.

E.B.M.U.D. officials pointed out that some of the property along the creek is not usable. The general area is between the Crossroads and the Village.

THE SEWER BOARD decided to call for bids on construction of a parallel pressure line between the lower and upper Orinda pumping stations. It was explained that this action was taken to prevent another line breakage, such as caused on Camino Sobrante by last winter's landslide.

Held over pending receipt of further information was consideration of serving a Moraga area subdivision of 32 lots.

Plan Joint Barbecue

The Shipmates and Clippers will have a joint barbecue and program on June 27 at Sequoia Lodge.

Sanitary Board Okays Garbage Franchise Plan

By BRUCE POLICH

Acting on a measure not on the agenda, directors of the Central Contra Costa Sanitary District on June 5 voted to adopt an ordinance providing for control and franchising of garbage collection in Orinda, Lafayette and Walnut Creek areas.

The proposal, tabled a month ago when disinterested parties opposed the Sanitary District's plan to take over garbage control, was passed by a vote of 4-to-1, with Director William Malott dissenting.

After the controversial measure was passed by the board, Malott walked out of the meeting.

The issue was brought up late in the meeting June 5 by Martinez Attorney Sam Hall, who represented the garbage collection services in Orinda, Lafayette and in areas surrounding Walnut Creek.

Sanitary District Director R. E. Wadsworth made the motion at the meeting to reconsider the ordinance despite the fact it was not on the agenda and asked that it be adopted.

The ordinance is scheduled to become effective seven days after publication. It provides for letting a franchise for bid on exclusive garbage collection privileges in the nearly 30,000-acre Sanitary District and establishes general controls over the operation.

Walnut Creek City Attorney John A. Nejedly, who is also attorney for the Sanitary District, was instructed to start the machinery to put the ordinance in effect.

Action instituting the new ordinance governing garbage collection in the district, however, does not affect the city of Walnut Creek, which will continue to operate under its present garbage collection franchise.

The ordinance calls for retaining existing rates to persons already served, with the provision that rates may be changed by board action after a public hearing.

At the meeting June 5, Malott urged the board to discuss the measure at a public hearing before taking any definite action. He voiced the same plea when the ordinance was originally brought up before the board in May.

At that time, Chairman Elliott Johnson agreed with Malott and the proposal was tabled. However, at last week's meeting, Johnson did an about-face on his previous stand and voted with other board members to adopt the ordinance.

When the issue came up early in May, several citizens attending the meeting objected to the proposed ordinance on the grounds garbage collection was satisfactory.

Wadsworth and Director Harold Toland admitted at the earlier meeting that the purpose of the ordinance was to raise revenue for the district.

Chairman Johnson and Director H. M. Smitten agreed the district needed additional money and said that other methods of raising funds had been discussed and would eventually be made public.

Said Smitten: "We've had three or four plans to raise money Something has to be done if we're to avoid asking for another bond issue."

The measure was finally tabled in May for further study when objections from the floor were made to the proposed ordinance change.

William W. Wilson of 38 Mira Loma, Orinda, asked why the board was interested in garbage collection when present service was satisfactory.

Sumner H McAllister of Las Huertas Road, Lafayette, questioned the board's action in May.

He voiced his objection on the grounds that no action should be taken on the question of extension of garbage control until the public expressed a desire for it.

McAllister urged that the public be given a chance to study the proposal and that any action taken by the board be motivated by the people.

Attorney Hall, who represented the Valley Scavenger Company of Walnut Creek, the Lafayette Disposal Service and the Orinda Garbage and Refuse Disposal Service, urged the board to adopt the ordinance on the grounds it would be beneficial to the people. Representatives of the firms Hall acted as spokesman for attended the meeting and favored the move.

A central office with better assurance of security for the collection agencies to provide better service because of the exclusive franchise was cited by Hall as a factor leading to more beneficial service to the public, provide additional revenue to the district and protect the operators.

Hall indicated the three firms he represented would submit a joint bid for the exclusive contract.

At this point in the meeting, Malott suggested that a general public hearing should be called to permit the Board of Directors to sit in on a hearing of interested citizens before taking final action.

Director Wadsworth, however, reintroduced the measure and the proposal was subsequently adopted by a 4-to-1 vote, with Malott punctuating his objection by walking out of the meeting.

Improvers Band Together Against Fred Wood Plans

Opposition to realtor Fred T. Wood's plans for a subdivision between Moraga Estates and Moraga Glorietta developed this week into formation of a united front of a dozen improvement groups to protect zoning standards.

At a meeting in the library of the Orinda Country Club Tuesday night, plans were made for setting up a general committee and a smaller executive steering committee. Joseph Creighton was named chairman of both committees.

Also on the steering committee are William Penn Mott Jr., Donn Sigerson, E. J. Fowler Jr., Wayne Miller and Anthony Cianciarulo. Creighton said yesterday the general committee had not yet been made up.

THE SESSION WAS addressed by Harold Wise of Menlo Park, planning expert retained by the Glorietta Improvement Association in this matter, who informed the group it had good basis for objecting to Wood's plans.

The objectors pointed out that they are opposed to Wood's plans because he is seeking considerable deviation from the R-A zoning regulations. At a Planning Commission hearing May 27, Wood withdrew a map designating 41 out of 110 lots as less than half-acre and said he would file a new map.

On June 4 a conference was held with Wood by representatives of various improvement groups. Wood had prepared another map, showing 102 lots, with 19 under a half-acre. However, up to Tuesday he had not filed any new map with the Planning Commission, according to Creighton.

Tuesday night's session, at which Carl Meurk acted as chairman, followed a talk by Wise to the Glorietta Improvement Association's annual meeting at Orinda Community Church June 5. Meurk was elected Glorietta Association president at that gathering.

Attending the meeting at the Country Club from the Orinda Association were President Stanley Allen, Secretary Charles Blue and Director Everett Howe.

AT THE REQUEST of the Glorietta improvers, Wise recently studied the proposed Wood development in relation to surrounding topography and residential areas.

When the Wood matter will come up again before the Planning Commission appeared uncertain this week. Two weeks ago the planners had tentatively set next Tuesday as a hearing date but indicated that a hearing might have to wait until June 24. Whether there would now be time for necessary legal notice publication before June 24, after a new map is filed, was a question mark.

Poll Addresses Rotary Club

Ernest Poll was the main speaker at Orinda Rotary Club's Wednesday luncheon meeting at the Willows.

Poll, originally from Austria, spoke on his days in a prison camp prior to the American occupation. He also told how the United States consul arranged his passport sending him to America, and his first impressions when he saw the Statue of Liberty.

Poll now operates the Village Cleaners at 101 Orinda Highway.

New Rotary Club officers will be installed at the annual "demotion ceremony" Friday, June 27, 7 p.m., at Planters Dock, Lafayette.

First Visit Here

Enjoying her first visit to California and her first look at her two grandchildren is Mrs. Ruth Farrington from Edgewater Park, N. J. While she is here she is staying with her son and daughter-in-law, Mr. and Mrs. P. K. Farrington.

Protests Slated On Garbage Law

As this issue of the SUN went to press, indications were that a good-sized turnout of citizens would be present at last night's meeting of the Central Contra Costa Sanitary District board, in protest to the sudden passage of the garbage franchise ordinance.

Many of those present at Wednesday night's meeting of the Lafayette Improvement Association indicated they would be there, and Boyd Olney Jr., small independent operator, said he would be present to voice objection.

Public Hearing Should be Held On Garbage Plan

(An Editorial)

This newspaper respectfully suggests to the directors of the Central Contra Costa Sanitary District that they hold a public hearing to discuss the garbage franchise ordinance, enacted by the board June 5.

(A meeting was held last night—but no advance notice of this was announced by the board. This meeting was held after the **SUN** went to press.)

We believe this public meeting should be held before any further action is taken on the ordinance, which provides for the control and franchising of garbage collection within the Sanitary District. (See other articles on this page.)

In fact, we have heard strong opinion to the effect that the directors should repeal the ordinance and then hold a public hearing. The directors then can act after their constituents have presented their views.

We believe such action will help restore the confidence and faith of the public in their board of directors.

* * * *

This newspaper does not necessarily oppose the granting of exclusive franchises for garbage collection. Nor do we question the right of the Sanitary District to pass such an ordinance.

There are strong arguments in favor of the ordinance; there are strong arguments in opposition.

We are not debating this garbage issue. That should be done in a hearing before the board, to allow all sides the opportunity to present their views.

But we do question the manner and circumstances surrounding the passage of the ordinance.

* * * *

There are three "groups" concerned with the ordinance:

First and foremost, the public—almost every occupant of a home, store or building in the entire area has a garbage disposal problem.

Second, the garbage collection firms.

Third, the Sanitary District, elected to represent all the people. (The district should be considered "the public.")

Passage of the ordinance was suggested to the board June 5 by a lawyer for the garbage collection firms. Owners of those firms were present. (We do not mean to imply that this was wrong in any way. They want such an ordinance and have every right to seek it.)

But absolutely no announcement had been made to the public. It was NOT on the prepared agenda. The public had no way of knowing that the proposal would be discussed—much less that the directors would enact it.

That the subject was considered about 11:30 p.m. is of interest, but of not much consequence.

* * * *

If these were the only circumstances involved and the directors merely acted on the request of the garbage services, this editorial would not have been written.

But these facts were known before the ordinance was passed:

The proposal is highly controversial. This newspaper has presented stories on it for months (at least a month before any other paper). Director William Malott has adamantly opposed the plan, while Board President Elliott Johnson has spoken against it.

On May 1 Director R. E. Wadsworth presented the ordinance and moved for its adoption. Director Harold Toland seconded the motion.

The other members of the board discussed it and mentioned surveys of other methods of raising needed funds—which have not yet been made public.

From the audience, William W. Wilson of Orinda spoke against the proposal, questioning the need for it.

Sumner H. McAllister said he questioned the board's principle in its extension into garbage control before the public expressed a desire for such action. He urged that the public should be given a chance to study the proposal and that the board first get public reaction.

The board seemed to agree with much of this.

Wadsworth explained that he read the proposal for consideration rather than immediate action. He then withdrew his proposal. Proponents of the proposal even agreed that it should be given a public hearing.

The conclusion was that the proposal was dead—or at least it would be considered again only after a thorough public discussion.

* * * *

But, without reading the ordinance, without discussion of the provisions, without considering lack of public notice, the board passed it—with Malott voting "No."

Before the vote, Malott pointed out that no decision should be made that night. He asked that "there be a public debate on the subject," at a later meeting.

* * * *

We believe that the directors of the board want to do the right thing. They are the public's representatives and are elected to guard the public's interest. And we feel they will do exactly that.

We have faith that a majority of the board will consider their action as hastily taken—and will invite the people to discuss the ordinance in a truly democratic manner.

Cub Awards Given At Final Meeting

A program of summer activities for Cub Pack 211 was outlined at its final meeting of the year last Friday at Orinda Community Church.

The program, under direction of Dr. Roger Stark, assistant cubmaster, includes the boys going to an Oaks ball game on June 21 and an overnight camping trip to Mt. Diablo in the near future. Each boy is to bring his own or someone else's father along on the trip.

Cubmaster Bernard Wilber introduced Steve Sorrick to the boys.

Entertainment was provided by Den 5, which exhibited the boys' strength in a weight lifting display. Some of the cubs participated in short skits, and Den 10 boys wore Indian costumes they had made and sang songs of farewell for the vacation. Assistant Cubmaster Frank Newman accompanied the songs.

Boys who received awards were Stephen Abbott, Robert Boyle, James Gibbs, Dennis McCann for Wolf rank; Stephen Abbott, Gold Arrow and Silver Arrow; Brad Olson, Lion Rank; Joe Moore, Gold Arrow, and Denner Stripes; Dick Stark and Charles Blue, Assistant Denner Stripes.

Moraga Meadows Party Tonight

Third annual social evening for members of the Moraga Meadows Association will be held tonight at 7 p.m. at the Carrol Ranch Club, according to Tevis Thompson, president.

A barn dance, with a late box supper brought by the members, is planned. If the weather is warm, the pool will be open for swimming.

All persons living in the Moraga Meadows area are invited to meet their neighbors at the one social gettogether of the association, Thompson announced. A charge of 50 cents a person will be made.

Wed in Missouri

Margaret Drinkward, daughter of Mr. and Mrs. Cornelius Drinkward, formerly of Lafayette, became the bride of Carroll Stephens Mason in the Memorial Chapel of the Webster Groves Presbyterian Church, Webster Groves, Mo., in a recent ceremony performed by Rev. Harry T. Segerer.

Miss Drinkward attended the University of California, where she was a member of Delta Gamma Sorority, and recently attended Pratt Institute of Art in New York City. Her parents are now living in Brentwood, Missouri.

Letters To The Editor

Dear Editor:

I should like to take this opportunity, on behalf of the Orinda Children's Art Center, to thank you for the splendid publicity you have given us during the past year in the Orinda Sun.

Sincerely,
LUCILLE SHEAFF,
Publicity chairman,
Orinda Children's Art Center.

Is Popular Tune Key In Helping Unusual Weather?

"Speak to Her, Please Mr. Sun" may be the words of a popular tune, but after what Mr. Weatherman di dto the Orinda area this past week, someone had better speak to him first.

Thunder, lightning, rain and sunshine combined to give the Orinda area a "well rounded" week.

For the week of June 5 through Wednesday ,the maximum temperature reported was 80 degrees on June 5, while the minimum was 44 on Tuesda yand Wednesday.

And rain . . . well, .07 of an inch was recorded for Orinda, thus bringing the season total up to 45.79 inches since July 1, 1951.

Allen Sutton to Get Eagle Award Tuesday Evening

Allen Sutton, son of Mr. and Mrs. Orvall Sutton of 16 Las Vegas, will receive the Eagle Scout Award at an Eagle Court joint meeting and buffet dinner by his troop, Troop 207, and the sponsoring Orinda Lions Club, at the Orinda Community Church next Tuesday night. The dinner starts at 6:30; the Eagle Court, at 8.

Allen, 13, is the youngest boy in this area to receive the high award. An invocation by Rev. Ned Bristo of Glendale will begin the affair. His wife, Vera Bristo, will sing a solo number. Dick Doty and Ray Orr, present Eagle Scouts, will then conduct Allen through a demonstration of the various parts of a scout's life.

Judge A. F. Bray, who will preside at the meeting will then present Allen with the Warrant Award. Allen's mother will highlight the evening by presenting the Eagle Award to her son.

Allen passed his Eagle requirements at the May 29 meeting of the Scout Board of Review.

Year-Old Miller Babe Christened at Rites

Jack Miller, year-old son of Mr. and Mrs. W. John Miller of 157 Canon Drive, was christened recently at St. Stephen's Episcopal Church.

Present at the christening were the Lester K. Wells of Alameda, maternal grandparents. Godparents are Margaret Bennett of Alameda, Richard Stengel of Berkeley and John Van Dyne of Orinda.

Jack's paternal grandparents, the R. E. Millers of Riverside, could not attend.

Following the ceremonies, a number of the relatives were entertained at the Miller home.

Covenant Church Has Program by Children

Children's Day was observed at Lafayette Covenant Church with class demonstrations, recitations and songs by the various departments of the Sunday Bible School. Carl Bolin, superintendent, was in charge.

The class activities and worship program was presented by the beginners, under the leadership of Mrs. Alice Peterson.

CALENDAR OF EVENTS

FRIDAY, JUNE 13

Moraga Meadows Association, social evening, Carrol Ranch Club, 7 p.m.

Orinda School District commencement exercises, Orinda School auditorium, 8 p.m.

Graduation dance, Orinda Community Church, 10 p.m. to midnight.

SATURDAY, JUNE 14

Cadets of Mt. Diablo Unit, Civil Air Patrol, Buchanan Field, 2 to 5 p.m.

Cub Pack 32, picnic, Redwood Regional Park, noon to 3:30 p.m.

St. Mary's College, commencement exercises.

SUNDAY, JUNE 15

Attend the church of your choice.

Acalanes High School commencement exercises, Acalanes Memorial Field, 2:30 p.m.

Civil Air Patrol, "Operation Tideland," Buchanan Field, starts at 8 a.m.

MONDAY, JUNE 16

Chi Lambda Chapter, Delphian Society, Orinda Community Church.

Boy Scout Troop 200, Court of Honor, Scout Hut, 7:30 p.m.

Barbershoppers, 1022 University Avenue, Berkeley, 8 p.m.

Orinda Lodge, F.&A.M., Orinda Community Church, evening.

Orinda Association, joint meeting of Civic Affairs Committee and Board of Directors, Orinda School, 7:45 p.m.

TUESDAY, JUNE 17

Boy Scout Troop 207, Eagle Court—joint meeting and buffet dinner of troop and Orinda Lions Club, Orinda Community Church, dinner, 6:30 p.m.; Eagle Court, 8 p.m.

Contra Costa Realtors Mart breakfast, Planters Dock, Lafayette.

WEDNESDAY, JUNE 18

Rotary Club, Willows, noon.

League of Jewish Women, installation luncheon, El Nido, Lafayette, 12:30 p.m.

Explorer Post 300, Scout Hut, 7:30 p.m.

THURSDAY, JUNE 19

Mt. Diablo Squadron, Civil Air Patrol, Buchanan Field, 8 p.m.

Diablo Chess Club, Lafayette Community Methodist Church, 7:30 p.m.

FRIDAY, JUNE 20

County school trustees' institute, Acalanes High School.

Orinda Park Pool, potluck supper, 8 p.m.; dancing, 9 to 11 p.m.

July Meeting To Map Bus Runs For School Kids

Bus routes and schedules for the 1952-53 school year will be the main topic on the agenda of the July meeting of the Orinda School Board. The session will be held July 7, 8 p.m., at Orinda School.

"This is an important annual matter, and it is hoped that all interested parents attend the meeting," Superintendent of Schools Joseph L. Sheaff said.

"Anyone who has ideas on changes or additions for the school bus service should certainly be present."

Plan Family Outing For Community Church

In place of the usual monthly church night program, the Orinda Community Church committee is planning a family all-church outing to be held following the service on June 22 at Castle Rock Park. Lunch is scheduled for 1 o'clock, followed by informal fellowship for adults and activities for children and young people.

Transportation will be arranged by families who attend.

This will be the third summer outing in as many years. Assisting in plans are the chairman, Stanley Hunn, and committee members, Mr. and Mrs. John Ogden, Mr. and Mrs. James Hupp, Mr. and Mrs. Arthur Henry, Mr. and Mrs. W. C. Branch and Mr. and Mrs. Ernest Drews.

James Macomber Navy Trainee

James A. Macomber, son of Mr. and Mrs. Alden Macomber of 655 Miner Road, is completing his airman recruit training at the U. S. Naval Training Center at Great Lakes, Ill., according to an official naval communication.

Upon completion of his 11-week training period, Macomber will be assigned to a duty station with the fleet or at a Navy shore station.

Before entering the Navy, Macomber attended the University of California.

New Schedule at Community Church

One hour, 10:30, has been set for both Sunday morning activities of Orinda Community Church beginning this Sunday. Worship for adults and young people will parallel departmental instruction for children through the sixth grade at that hour, continuing the convenient plan of family attendance begun in January.

Rev. Fred Morrow and guest ministers will conduct the church services and preach during the summer months, with music arranged each Sunday by the director, Margaret Popovich. The Sunday school staff will alternate in the continuing educational program.

This Sunday Rev. Morrow will speak on the subject, "How Do They Live On?" The choir continues in force during June, with Mr. and Mrs. Popovich as organist and director, singing this Sunday "O Come to Me, Ye Weary" by Lorio.

Registration and first session of the Summer Sunday School term will take place in the usual departmental rooms: nursery and kindergarten, children's unit; primary (grades 1-2-3), Fellowship Hall; junior (grades 4-5-6), the Livingstone room in classroom unit.

Local Girls Featured In Ballet Program

Several Orinda girls will be featured in a ballet program at Berkeley Little Theater Sunday afternoon by Valerie Quandt, dance artist of Berkeley.

They are Teri Loveland, Kathy Brown, Nancy McKee, Marian Collett, Dianne Kersten, Joyce Bailey, Sandra Jones, Jan Stromberg and Frances Houmann. They are featured in two Brahms waltzes presented in classical style

Stork Club

BRIAN DONOVAN KEOGH

Brian Donovan Keigh, son of Mr. and Mrs. James E. Keogh of 12 Madrone Place, was born in Oakland's Providence Hospital, May 6. Brian weighed 7 pounds and 12 ounces at birth.

KERRY PEYTON WOHN

Kerry Peyton Wohn, son of Mr. and Mrs. Kenneth W. Wohn of 30 Monte Vista Road, was born in Oakland's Permanente Hospital May 10. Kerry was all of eight pounds at birth.

Orinda Residents Given OK's in Building Permits

Building permits issued in Orinda by Contra Costa County for the week ending May 23 include:

Residences and garages;

Owner and Builder Warren Pollock, for site at Meadow View Road, estimated cost $8820.

Owner and Builder W. H. Thurston, for site at end of Mariposa Lane, estimated cost $13,764.

Owner F. W. Elkington, for Honeyhill Road and Miner, estimated cost $13,044. Builder, D. M. Patten.

Owner and Biulder Warren Pollock, for 133 Cresta Road and Francisco Court, estimated cost $8310.

C. Bowle, and the Lawrie Construction company for site at 31 Diablo View and Tamalpias View, estimated cost $9000. Builder, Lawrie Construction Company.

Owner and Builder Boies and Soule, for site at California Avenue and Stanton Avenue, estimated cost $7008.

Owner Burke of Oakland, for Glorietta Boulevard and Meadow View Road, estimated cost $8700. Builder, Lawrie Construction Company.

Owner and Builder J. E. Irwin, for Van Tassel and Lombardy Lane, estimated cost $17,532.

A swimming pool permit was given to Owner and Builder R. E. Lee for Moraga Highway and Woodlands at an estimated cost of $2500.

Owner and Builder J. Conley received a permit for a bath house at El Verano and Las Vegas, estimated cost $1200.

A retaining wall permit was given to Owner C. Thornton for a site at Hacienda Circle and Acacia Drive, estimated cost $50. Builder, N. W. Nelson.

Garage and bedroom permit was given to Owner and Builder J. E. Almond for a site at Orinda Lake, estimated cost $4089.

Fowler To Lead July Services

C. Ray Fowler, youth associate of Orinda Community Church, will conduct church services and preach at the weekly worship hour during the month of July, according to announcement of the church Diaconate. Fowler will be attending the summer session of the Pacific School of Religion in Berkeley.

Next week as an elected delegate of the Orinda congregation and with two others in the area, he will attend the biennial meeting of the General Council of Congregational-Christian Churches in Claremont.

Rev. Fred Morrow will spend July as a student at the Western Pastor's School near Colorado Springs, Colo.

Picnic Concludes Cubs' Activities

Cub Pack 52 will wind up this year's activities with a picnic at Redwood Regional Park tomorrow, instead of holding its regular meeting this evening. The picnic will start at noon.

A baseball game between the cubs and their mothers has been scheduled, along with a track meet. At 3 p.m. pack ceremonies will be held and awards will be presented.

All families of cubs are invited, and signs will be posted showing the route to the picnic area.

Pack 52 lost a playoff softball game to Cub Pack 6 of Walnut Creek, 8 to 3, last Saturday at the Walnut Creek City Park.

To Visit New Jersey

Mrs. Joe Creighton leaves June 19 with the Creightons' three boys for a visit with her family in Woodstown, N. J.

Awards, Badges Given to Scouts Of Troop 207

Many members of Boy Scout Troop 207 received awards and honors at Court of Honor ceremonies at the Scout Hut June 3.

New Tenderfoot scouts include Michael Halbran, Marc Littlejohn, Steve Rasmussen, Randy Peterson and Gary Beeman.

Receiving Second class awards were Tom Carter, Mike Donovan, Bob Ready, Roger Farleigh, Anthony Johnson and Bill Thurlow.

NEW FIRST CLASS scouts are Chuck McQuady, Lynn Hill and Fred Morris.

Star Awards went to Bill Ready, Steve DeMaria, Dennis Meyer, David Blaney, Jeff Rodeen and Bill Ellermeyer.

Bill Ready, Jeff Rodeen, Bob Rohwer and Tom Rohwer all received five merit badges. David Blaney, Hart Corbett and Steve DeMaria each received four badges. Bill Ellermeyer and Steve Ready each received three merit badges.

Terry Ginsberg, Tom Hannan, Lynn Hill, Hugh Oliphant, Peter St. Hill and Wendell Williams received two merit badges each. Allen Sutton, Hart Corbett, John Dodge and Chuck McQuady each received one badge.

Dennis Meyer received a total of six merit badges.

SPECIAL AWARDS were given to Steve DeMaria, Scoutmaster Award, Chuck McQuady, Campership Award; Gary Boettcher, Annual Attendance Award; Peter St. Hill, Order of the Arrow.

Gerry Cullen is scoutmaster. Assisting him is Bud Thurston.

Rites Held for Rev. M. Fisher

Funeral services were held in Claremont last week for the Rev. Miles Fisher, pastor of Orinda Community Church from 1938 to 1944. He died June 3 in the southern city at the age of 82.

Orindans remember him as a moving force during the formative years of the church and community.

He was a brother of Dr. Galen M. Fisher, formerly of Orinda, of Mrs. J. T. Richards of Saratoga, and of the late Ralph Fisher, Oakland community leader. He leaves a daughter, Mrs. Roi Partridge of Oakland, and a son, Mahlon Fisher, professor of psychology at Fresno State College. Mrs. Fisher preceded him in death less than a year ago.

Mrs. Hazel Losey Awarded Custody Of Francis Kyle

Mrs. Hazel Kyle Losey of 91 Lombardy Lane was awarded custody of 10-year-old Frances Jean Kyle in a memorandum of decision announced last Friday by Superior Judge Hugh H. Donovan.

The custody contest arose in December when Mrs. Losey, with whom Frances has resided since she was two years old, petitioned the Superior Court to be named the child's guardian. At the same time, Frances' mother, Mrs. Gina Johnson of South San Francisco, countered with a petition to be awarded custody of the child she had not seen for more than eight years.

ATTORNEY GEORGE GORDON represented Mrs. Losey, while a San Francisco law firm appeared for the mother.

Frances told Judge Donovan, when he interviewed her following court hearings, that she desired to remain with her aunt and uncle, Dr. and Mrs. O. I. Losey, and wanted to continue at Orinda School.

THE COURT DIRECTED that the mother be given the right to visit her daughter, and have Frances on visits to her own home, such visits being left to "the fairness and good judgment" of Mrs. Losey.

Mrs. Mercy Kyle, 80, the girl's paternal grandmother, also stayed with Frances during the past years.

1263 Students Now in District

Enrollment of students in the Orinda School District at the close of the school term was 1263 this week, Schools Superintendent Joseph L. Sheaff reported the enrollment at the school board meeting June 2.

For Orinda School, the figure was 669; for Glorietta School, 594.

Meeting at Orinda School, the board hired the following new teachers for the 1952-53 school year:

Ted Boyce, who graduates from San Francisco State this month; Donald Wacks and Bernard Bloom, both of whom are June graduates from the University of California; Marion Scofield of Lafayette, who is a graduate from Stanford this month, and Elna Kistler of Berkeley.

Theater Party Set

Section 2 of the Women's Guild of Orinda Community Church is sponsoring a Straw Hat Theater party the night of Monday, June 30. Tickets may be secured from Mrs. Challiss Gore, Orinda 2554. The performance: "No Worse for Wear."

LEGAL NOTICE

NOTICE TO BIDDERS

NOTICE INVITING SEALED PROPOSALS FOR THE ORINDA PARALLEL PRESSURE LINE OF CENTRAL CONTRA COSTA SANITARY DISTRICT

Notice is hereby given that the District Board of Central Contra Costa Sanitary District, Walnut Creek, California, invites and will receive sealed proposals until 8:00 o'clock p.m., July 3, 1952, for furnishing all labor, materials (exclusive of 1,950 feet of 24-inch pressure line) and services for the construction of the Orinda Parallel Pressure Line with Appurtenances, for the Central Contra Costa Sanitary District, in accordance with the plans and specifications adopted therefor.

The plans and specifications for the proposed work may be seen and examined at the office of the Central Contra Costa Sanitary District, 1822 Mt. Diablo Boulevard, Walnut Creek, California, and may be secured by making payment of Twenty ($20.00) Dollars. There will be no refund of payment unless plans and specifications are returned within ten days after receipt of bids.

Pursuant to the statutes of the State of California, the District Board of the Central Contra Costa Sanitary District has ascertained and determined the general prevailing rate of per diem wages and rates for overtime and legal holidays in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract. The prevailing rates so determined are as follows:

Classification	Hourly rate
BOILER MAKERS	
Foreman	$3.00
Assistant Foreman	2.85
Boiler maker	2.75
Boiler maker helper	2.45
Boiler maker welder	2.75
BRICKLAYERS	
Bricklayer 6 hour day $3.50	3.25
Bricklayer hodcarrier	2.45
CARPENTERS	
Journeyman	2.39
Foreman	2.39 plus $2.00 per 8 hr day
CEMENT MASONS	
Journeyman	2.42
ENGINEERS	
Apprentice, Oiler, Fireman, Watchman	2.13
Asphalt Plant Engineer	2.52
Compressor Operator	2.13
Compressors, more than one	2.46
Concrete Mixer, up to one yard	2.13
Concrete Mixer, over one yard	2.46
Derrick, including Chicago Boom	2.68
Handi-Crane, no oiler required	2.57
Heavy duty repairman	2.52
Heavy duty repairman helper	2.13
Power grader, any type power blade	2.68
Power shovel, other excavating equip. up to one yard	2.85
Power shovel, etc. over one yard	2.96
Pumps	2.13
Rollers	2.52
Ross carriers, on job site	2.24
Scoopmobile, used as hoist	2.41
Scoopmobile, used as loader	2.57
Tractor	2.52
Tractor, boom	2.68
Tractor type shovel loader	2.68
Trenching machine	2.57
Truck type loader	2.68
Truck crane	2.68
IRON WORKERS	
Reinforced Iron Worker	2.45
Welders	2.70
Rodmen	2.45
LABORERS	
Blasters, Powdermen	1.95
Cribbers	1.95
Drillers	1.95
Form raiser	1.95
Lagger, etc.	1.95
Asphalt Ironer and Raker	1.80
Loading and unloading, handling	1.80
Vibrator, pneumatic, gas & elec. tools	1.80
Concrete laborer, wet or dry	1.70
Construction laborer	1.70
Flagmen, Watchmen, maintenance, repair	1.70 plus $0.125 per hr. in tunnel
Gardener, Landscape laborer	1.70
General Laborer	1.70
Pipelayer, Caulker, Bander and pipewrapper	2.15
Burning and welding	2.00
Foreman $0.25 per hour over rate for supervised classification	
PLASTERERS (6 hour day)	
Plasterer	3.16⅔
Plasterer, hodcarrier	2.80
PLUMBERS	
Plumber	2.75 plus 12½c plus 07½c
TEAMSTERS	
Dump truck, under four yards	1.80
4 yards & under 6 yards	1.94
6 yards & under 8 yards	2.04
8 yards and over	2.45
Flatrack or pickup, under 10,500 lbs.	1.84
over 10,500 lbs.	1.97
Truck repiarman, on job site	2.51
Truck repairman, helper, on job site	2.01

The foregoing schedule of prevailing rates of wages is based, unless otherwise specified, upon a working day of eight hours.

Overtime shall be paid in accordance with the rate set for each classification by the cognizant Union.

NOTICE IS ALSO HEREBY GIVEN BIDDERS that it shall be mandatory upon the contractor to whom the contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of wages, as above listed to all laborers, workmen and mechanics employed in the execution of the contract.

Before submitting proposals the bidder shall be licensed in accordance with the Provisions of Chapter 9 Division III of the Business and Professions Code, Chapter 37 of the Statutes of 1939, as amended, of the State of California, which provides for the registration and licensing of contractors.

Each bidder must submit with his proposal a statement of his financial responsibility, technical ability, and experience on the form to be furnished prospective bidders.

Each bidder shall submit with his bid on the form provided, the name and address of each subcontractor including the principal suppliers of materials, and the portion of the work which each subcontractor will do. If the contractor fails to name the subcontractors in his proposal, he shall be deemed to have agreed to perform such portion of the work himself and shall not be permitted to subcontract said portion of the work without previous written permission of the District Board.

The proposal shall be made out on the form to be furnished prospective bidders, a copy of which is incorporated with the specifications and must be accompanied by a certified or cashier's check or bidder's bond for an amount not less than ten (10) per cent of the aggregate of the proposal, made payable to the Central Contra Costa Sanitary District, sealed and filed with the Secretary thereof on or before the day and hour first above set forth, and thereafter will be publicly opened and read before said District Board.

The above mentioned check or bond shall be given as a guarantee that the bidder or his heirs will enter into a contract if awarded the work, within ten (10) days after notice of the award has been sent to him by mail at the address given by him in his proposal and said check or bond shall be declared forfeited if the bidder fails, refuses or neglects to enter into said contract within said time.

The successful bidder will be required to furnish labor and material bonds in the amount of fifty (50%) per cent of the contract price and a faithful performance bond in an amount equal to twenty-five (25%) per cent of the contract price.

The District Board reserves the right to reject any or all proposals and to waive any informality in proposals received.

By order of the District Board, Central Contra Costa Sanitary District.

DATED: June 5, 1952.

H. M. SMITTEN
Secretary Central Contra Costa Sanitary District

O-237, Orinda Sun, June 13, 20, 1952.

Many Cubs Given Awards as Year's Activities Close

Cub Pack 32 concluded activities for the year at a pack meeting last Friday at the Scout Hut.

The meeting began with each den giving reports on recent activities. Den 1 reported a trip to Mt. Diablo for a wienie roast, Den 3 told of visiting Radio Station KLX, and the boys in Den 11 reported on a recent field trip to the Oakland Naval Air Base.

Entertainment was provided by Den 11, which put on a fashion show, and Den 6, which staged a puppet show.

RALPH PHELPS, retiring as cubmaster, urged the boys to continue their cub work during the summer. He then introduced Bob Rochester, next year's cubmaster, and Glen Holtwick, who will be the assistant cubmaster.

The following received awards:

Kenny Phelps, Gary Holtwick, Ray Haywood, Don Phelps, Sandy Corbett, Jeff Schwarck, Burlington Willes, Allen Geisler, Cebe Wallace, Douglas Moorehead, Robert Abe, Bob Shurtleff, Randy Thaman, Perry Spaght, Kim Smith, Donald Granberg, Vaughn Smith and James Freeman.

DEN 11 WON the ribbon for attendance and also a special ribbon for the best record of the year.

Den 6 won the Antless Pants ribbon, plus a special award ribbon, and Den 9 won the ribbon for cleanliness.

Girl Scouts Get Curved Bar Award

Girls of the sixth, seventh and eighth grades of Orinda schools and their parents were guests of Orinda Girl Scouts Tuesday evening at Orinda School for the Curved Bar Court of Awards honoring eight scouts. This was the largest group in Orinda ever to earn this highest Girl Scout award.

Feature of the evening was an exhibit of troop work for the year, with greatest emphasis on achievements of the honored girls. Examples of craft and other badge work highlighted the display and gave the guests an opportunity to learn about scouting.

THE PROGRAM was conducted by Scout Elizabeth Rogers and featured two skits portraying phases of the girls' activities. Judy Monroe lead the group in singing scout songs, with Mrs. E. B. MacQuiddy accompanying.

Mrs. Donald Krotz was principal speaker, and introduced Curved Bar scouts who had won their awards in previous years.

TROOP LEADERS, Mrs. Louis Ambler of Troop 35, Mrs. Norman Ketsdever of Troop 39 and Mrs. William Houston of Troop 45, introduced their Curved Bar winners to Mrs. George Jensen, president of the Diablo Valley Area Council, who presented the awards. Congratulations were offered by Joseph L. Sheaff, superintendent of Orinda schools.

Girls receiving awards were Sandra Boyer, Troop 45, who won her award in the Child Nurse Field; Karen Collings, Troop 39, Homemaker; Marjorie Fish, Troop 35, Docent; Barbara Gibbs, Troop 39, Homemaker; Peg Kalbfleisch, Troop 45, Forester; Carol Ketsdever, Troop 39, Homemaker; Dianna Nuffer, Troop 45, Homemaker; Marjorie Rauch, Troop 45, Child Nurse.

31,750 Head for Orinda Roundup, Find Two Days Packed With Fun

With heartfelt thanks to their 31,750 weekend guests, "Orinda Roundup" workers this week wrote a triumphant "finis" to one of the most ambitious — and successful — projects ever launched in this area.

Climaxing four months of concerted effort by parishioners of Orinda's Santa Maria Catholic Church, the "Roundup" provided enjoyment and excitement for the huge crowds during its two-day run.

FROM THE MOMENT following impressive Saturday-noon opening ceremonies participated in by Rev. David Harrington, Sherrll Fitch, "Roundup" Queen, and Rudy Rasmussen, general chairman, (and made especially poignant by the pealing of the famed St. Mary's College bells) to the tense seconds preceding the Sunday night awarding of Grand Prizes, the colorfully-decorated college campus was literally "alive" with happy humans.

The people were bent upon enjoying everything from enchiladas to the dubious thrill of a rocking ride with Junior on the giant ferris wheel.

THE "ROUNDUP" WAS many things to many people. For Douglas Lehrmann, 6, of Lafayette, and Natalie Hartanov, 9, it meant the thrill of being chosen "Master and Miss Roundup" from a field of 50 cleverly-costumed youngsters.

For Karl J. Weber Jr., of Concord it meant driving home a 1952 Oldsmobile; for Fred L. Martin of Oakland the promise of a vacation in Mexico; for another Oaklander, William J. Hansen, a 16-cubic-foot freezer filled with food.

AND FOR "ROUNDUP" workers — the conscientious crew of Orindans who rolled up their sleeves and plunged into two days and nights of gruelling activity behind cook-stoves and counters — the "Roundup" meant aching muscles, laryngitis and calloused hands, all quickly forgotten in the joy of a job well done.

So the "Roundup" is over — but some day soon a Santa Maria school will stand on a certain knoll overlooking Orinda Village.

And in this school's cornerstone will rest a torn ticket, an empty popcorn bag, a frayed streamer — marked plainly, for posterity — "Orinda Roundup, 1952."

Delphians Wind Up Season on Monday

Meeting for the last time before summer vacation, Orinda Delphians will discuss "Life's Values" in a seminar session to be held Monday at the Orinda Community Church.

Chi Lambda members will convene under the leadership of Mrs. Jess E. Rauch, chairman for the day. Section heads will be Mrs. Kenneth K. Renwick, who will speak on "Science and Values;" Mrs. Mervyn H. Porter, "Success and Social Class;" Mrs. Joseph A. De Maria, "Too Many People?"; Mrs. M. Pierce Milton, "Old Age and Aging," and Mrs. Alan Waddell, "A World Society."

Music Recital by Mrs. Flenner Pupils

An hour of music was enjoyed Wednesday evening by the pupils and friends of Mrs. A. C. Flenner of 52 Acacia Drive when she presented her piano and violin pupils in a recital in her home.

Assisting were pupils of Mrs. Stanley Hudd, 'cellist. Those performing were Jennie Ann Ferguson, Sally Cary, Tommy Ferguson, John Gillivan, Bill Brown, Warren Smith, Linda Hart, Don Granberg, Carol Evans, Elizabeth Rodden, Arne Groennings, Peter Brooks and Ann Kalbfleisch.

Seafarers See Special Movie

The Seafarers were the dinner guests last Friday evening at the home of Mr. and Mrs. E. T. Meakin. Twenty-four members and guests were shown the film, "You Can Change the World" by Robert Raskob.

The evening concluded with another film, the "Road to Gaspe," which was shown by Mr. Meakin.

Federation Asks Freeway Start

(Continued from Page 1)

ment Federation in endeavoring to ease and improve this critical situation has explored the possibility of a resumption of Sacramento Northern Railway operation through this area. We have been advised, however, that rolling stock has been disposed of, tracks are in poor condition for passenger service, there are no station facilities and the company cannot even consider such a move.

"THE FEDERATION has also instituted initial action in bringing together members of the Alameda and Contra Costa County Boards of Supervisors to consider joint efforts to improve the Fish Ranch Road, which runs from the eastern end of the Broadway Tunnel, over the hills and into Berkeley.

"These improvements could be arranged to tie in with the new freeway when completed, and divert a portion of the traffic from the tunnel, which is only four lanes.

"We are also working with the county government to develop a secondary highway system throughout this area, both by future planning and correction of present faults. This will assist the present situation by removing some of the local traffic from the main highway. After action instituted by this organization, a program of left-turn-out lanes is under way by the state highway engineers of District IV.

"THESE POINTS are brought up to show that this area is trying all possible methods to help alleviate its own highway problems. But none of these are enough; they are just temporary expedients undertaken in desperation, until a freeway is constructed to answer our critical needs — an overpass at Orinda, extended through and connected with a by-pass around Lafayette, and continued on through or around Walnut Creek, as one intergrated Freeway system."

Among those present with the federation group were county officials and representatives of the Contra Costa County Development Association, the Orinda Chamber of Commerce, Orinda Association, Orinda Lions Club, Lafayette Chamber of Commerce, Lafayette Improvement Association and Walnut Creek Area Chamber of Commerce, and Walnut Creek city officials.

Claire Stoffel Sets Altar Date

Claire Marie Stoffel, has chosen 4 o'clock Saturday afternoon, June 21, as the day for her wedding to Joseph S. McClelland Jr. at Santa Maria Catholic Church.

Robin Redwine, a Pi Beta Phi Sorority sister of Claire's, will act as maid of honor. Sue Kilgo of Orinda and Mrs. Rendle Myer of Boulder, Colo., sister of the bridegroom-elect, will have secondary roles.

Lieutenant j.g. Fred S. Newman, U.S.N., is coming from Pensacola, Fla., to be best man, while ushers will be John Woods of Denver and John L. Stoffel Jr., brother of the bride.

IMMEDIATELY PRECEDING the marriage, a brunch will be served to the immediate families of the young couple and members of the wedding party at Orinda Country Club.

After the ceremony, a reception will be held at the home of the bride-elect's parents, Mr. and Mrs. John L. Stoffel, on Richard Place, Orinda.

The night before the wedding, Mr. and Mrs. William Kilgo of La Noria, Orinda, will be hosts at the rehearsal dinner.

A MISCELLANEOUS shower was given for Claire by Mrs. James Brown and Gertrude Boettcher, both of Oakland, at the home of Mrs. Richard Hill.

A linen shower was given by Miss Redwine following a luncheon recently at Orinda Country Club.

Sue Kilgo gave a kitchen shower for Claire recently.

Dr. Whiston at St. Stephen's Until Mid-August

One of the nation's foremost religious writers, Dr. Charles F. Whiston, will conduct the family service each Sunday morning at 8:45 for St. Stephens' Episcopal Church in Orinda, at the Orinda Community Church building.

The author of "Teach Us to Pray," Dr. Whiston spent eight years in missionary service in the Orient, and subsequently lectured at Middlebury College in Vermont in the fields of oriental history and philosophy of religion. He was rector of St. Stephen's Church in Vermont for some years, and since 1945 has been professor of moral theology at the Church Divinity School of the Pacific.

Dr. Whiston will conduct the Orinda services until the middle of August, addressing a special sermon each Sunday to the children of St. Stephen's. He is most anxious that members of Orinda's Episcopal Church bring their youngsters to these family services which will replace Sunday school sessions during the summer months.

In the fall it is hoped that a rector will be assigned permanently to St. Stephen's, at which time the earlier scheduled potluck supper and showing of the church building plans will take place. Rev. Dr. Frank Titus, who was to have taken over the Orinda church in May, is still seriously ill in the east, and is not expected to lead the church here.

LEGAL NOTICE

NOTICE TO CONTRACTORS

Sealed proposals will be received by the Clerk of the Board of Supervisors of the County of Contra Costa until 3:00 P.M. on July 1, 1952, for the reconstruction of portions of Streets northerly from Orinda Way in County Road Group No. 2545 (B-60), at which time said proposals will be publicly opened and read in the chambers of the said Board of Supervisors, Hall of Records, Martinez, California.

The roads on which the work is to be done under this contract include portions of the following streets.

Portion of CAMINO SOBRANTE 11,480 LIN. FT.
All of LA ESPIRAL 8,900 LIN. FT.

Total length of project, 20,380 lineal feet (3.86 miles).

All of the above named roads are located northerly from Orinda as shown on the Location Map accompanying the Specifications.

The work shall be done in accordance with official plans and specifications prepared in reference thereto, which may be seen at the Office of the County Road Commissioner.

Plans, Specifications (but not including State Specifications or other documents included by reference), and Proposal Forms may be obtained from the Road Commissioner, Contra Costa County Highway Department, by prospective bidders upon payment of a printing and service charge in the amount of Two Dollars ($2.00), which amount shall not be refundable. All checks shall be made payable to "Robert H. Kinney, County Treasurer".

Bids are required for the entire work described herein, and neither partial bids nor contingent bids will be considered.

ENGINEER'S ESTIMATE

1. Scarify, Reshape & Compact Existing Pavement 20,380 Lin. Ft.
2. Crusher Run Base 9,900 Tons
3. Furnish & Apply Water 540 M. Gal.
4. Liquid Asphalt (SC-1) (Prime Coat or Penetration Treatment) 62 Tons
5. Emulsified Asphalt — (Paint Binder) 19 Tons
6. Plant Mixed Surfacing — (Dense Graded) 6,370 Tons
7. Adjust Manhole Covers 45 Each
8. Adjust Lampholes 10 Each
9. Structure Excavation 250 C.Y.
10. Filter Material — (Crushed Rock) 375 Tons
11. Placing 6" C.M.P. Perforated Underdrain 1,500 Lin. Ft.

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors of Contra Costa County does not, expressly or by implication, agree that the actual quantities of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work as may be deemed necessary or expedient by the County Road Commissioner.

TIME LIMIT

The Contractor shall complete all work on the project within (60) calendar days, counting from and including the day following the approval of the Contract by the Board of Supervisors.

LABOR

The attention of the bidders is directed to the provisions of the Specifications relative to Labor.

In accordance with the provisions of the Labor Code, the Board of Supervisors has determined that the general prevailing rate of wages applicable to the work to be done, which shall be the minimum rates paid on this project are as follows:

Classification	Rate per hour
ENGINEERS	
Apprentices (oilers, firemen, watchmen)	2.13
Asphalt Plant Engineer	2.52
Box men or mixer box operator (Concrete or asphalt plant)	2.19
Compressor	2.13
Compressors (more than one)	2.46
Concrete Mixers (up to one yard)	2.13
Concrete Mixers (over one yard)	2.46
Fireman in Hot Plants	2.13
Heavy Duty Repairman	2.52
Heavy Duty Repairman, Helper	2.13
Power grader, power planer, motor patrol or any type power blade	2.68
Power shovels and/or other excavating equipment with shovel type controls (Up to and incl. 1 yd.)	2.85
Power shovels and/or other excavating equipment with shovel type controls (over one yard)	2.96
LeTourneau pulls (Jeeps, Terra Cobras, La Plant, Choate, and similar types of equipment)	2.68
Rollers	2.52
Scoopmobile (when used as a hoist)	2.41
Scoopmobile (when used as a loader)	2.57
Self-propelled elevating grade plane	2.57
Spreader Machines (Barber Green, Jaeger, etc.) (Engineer and Screed man used in operation)	2.52
Surface heaters	2.52
Tractors	2.52
Tractor (boom)	2.68
Tractor (tandem)	2.85
Tractor-type shovel loader (scale not to apply when used as blade or bulldozer)	2.68
Trenching Machine	2.57
Truck type loader	2.68
Truck Crane	2.68
LABORERS	
Concrete Mixer, Under ½ yard	1.95
Asphalt Ironers and Rakers	1.80
Vibrators, Air, Gas, Electric Tools	1.80
Pavement Breakers	1.80
Construction Laborers	1.70
All Cleanup work of Debris, Grounds and Buildings	1.70
Watchmen, Flagmen and Guards	1.70
Concrete Laborers (Wet or Dry)	1.70
TEAMSTERS	
Dump Trucks —	
Under 4 yds. (water level)	1.80
4 yds. and under 6 yds. (water level)	1.94
6 yds. and under 8 yds. (water level)	2.04
8 yds. and over (water level)	2.45
Transit Mix —	
3 yds. and under (mfg. mixing capacity rating)	1.89
4 yds. and 5 yds. (mfg. mixing capacity rating)	1.99
Flat Rack or Pickup Trucks carrying less than 10,500 lbs.	1.84
Flat Rack or Pickup Trucks carrying over 10,500 lbs.	1.97
Heavy Duty Transports	2.15
Winch Truck and "A" frame drivers (when winch is not used on a flat rack truck the flat rack rate will apply)	2.11
Helpers, Warehousemen, Teamsters	1.84
Drivers of Tank Trucks or Water Trucks, 400 gal. tank capacity or less	1.80
Drivers of Tank Trucks or Water Trucks in excess of 400 gals.	1.94
Lift Jitneys and Fork Lift Drivers	1.97
Road Oiler	1.94
Automobile Oiler or Greaser	1.87
Bootman	1.93
Ross Carrier or other type carrier	2.18
Truck Repairman — job site construction	2.51
Truck Repairman Helpers — job site construction	2.01
Where Truck Greaser and Engineer Oiler work interchangeably servicing both types of equipment	2.12

The attention of bidders is directed to the provisions of the Specifications regarding Legal Relations and Responsibility.

Attention is directed to the correlation of the Specifications with the Standard Specifications of the State of California, Department of Public Works, Division of Highways, January, 1949, as to materials, methods, and workmanship.

The Contractor shall perform with his own organization and workmen under his immediate superintendence, work of a value of not less than fifty per cent of the value of all work embraced in the contract, as required by the Specifications for this project.

The Contractor, whose bid is accepted, shall furnish the following bonds to the County (at no expense to the County) executed by a responsible surety acceptable to the County in the prescribed form:

(a) **Faithful Performance Bond**
(b) **Labor and Materials Bond**

Each of the above bonds shall be in an amount equal to one-half (50%) of the total amount bid by the Contractor in his Proposal.

All bids must be submitted on a Proposal form, obtainable from the County Road Commissioner, and shall be accompanied by a Proposal Guaranty of at least ten per cent (10%) of the bid. Guaranties shall be in the form of certified checks, or cashier's check, as provided in the section of the Specifications referring to Proposal Requirements. Bidders Bonds will not be accepted. Failure of the successful bidder to execute and return the contract, or to file acceptable bond, as required, within the time allotted shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guaranties not so retained by the County shall be returned to the bidders within fifteen (15) days after the award of the Contract.

The Contractor shall commence work within ten (10) days after approval of the Contract by the Board of Supervisors .

The Board of Supervisors of the County of Contra Costa reserves the right to reject any or all bids.

Request for forms or information shall be addressed to County Road Commissioner, Post Office Box 509, Room 235, Hall of Records, Martinez, California.

Proposals shall be filed with Walter T. Paasch, Clerk of the Board of Supervisors, Hall of Records, Martinez, California.

By order of the Board dated June 4, 1952.

W. T. PAASCH, County Clerk and ex-officio clerk of the Board of Supervisors of Contra Costa County, State of California.
By M. A. SMITH, Deputy Clerk

O-236, Orinda Sun, June 6, 13 - 52.

SAVE GASOLINE

Fast starting usually wastes gasoline by pumping more of it to your car's engine than can be used efficiently. Fast stopping wastes momentum that would normally move the car a considerable distance with only a slight gasoline consumption, says the California State Automobile Association.

Restaurants Aid GI 'Houseparty'

The Army ban on non-essential transportation, due to the oil strike, was lifted without ceremony in time for "Operation Houseparty" last Sunday, removing that obstacle to subsequent trips to homes by Camp Stoneman Hospital patients.

The Army figured without the national Father's Day holiday in mind, and on such short notice, it was proved impossible to place the boys in private homes, and again the Tunnel Strip restaurants came through to save the day.

The Willows, Cross Roads, Casa Orinda and Acapulco are to give the 25 boys their meals this Sunday, after which Mrs. Madelyn Nemir of Lafayette and her committee will take over.

Local Women at Defense Confab

Representatives of women's groups from Sacramento, Bay cities and Contra Costa County attended the special one-day women's civil defense conference held June 5 at the Western Training School at St. Mary's College. Local groups were represented by Mrs. Al Baitx of Moraga, Mrs. Robert O'Neil, Mrs. Claude Seeds and Mrs. John Shally of Canyon and Mrs. H. F. Neller of Lafayette.

The women attended classes and viewed demonstrations on the training grounds — a week's training program in "capsule form." Six of the group, attired in coveralls, rubber boots and helmets, took part in actual demonstrations of home fire fighting, incendiary bomb fires, escape from a two-story building and artificial respiration.

Not scheduled was a tear gas attack upon the whole group — strong gust of wind blew the cloud of gas being used in a demonstration by nearby gas-masked trainees. A lecture and a film on "Defense Against Biological Warfare" was also on the program.

Dr. B. Frank Gillette, new director of the Western Training School stressed the importance of home and school safety programs, necessary in case of fire or earthquake disasters as well as enemy attack.

Next one-day course, scheduled for June 23, will be a special demolition conference. Representatives of men's clubs will be asked to attend.

Covenant Church Holds Graduation

Last Sunday the Lafayette Covenant Church held its graduation exercises for the members of the confirmation class. The class consisted of five members — Richard L. Ball, Janice Everson, David Heltman, Nancy J. Herrmann and Carolyn M. Peterson.

In the morning the exercises consisted of a public rehearsal of the Ten Commandments, the Apostles' Creed, assigned Scripture memory verses and a series of questions and answers based on the contents of the course they had covered.

At the evening exercises, the graduates contributed several musical numbers and took charge of the devotional part of the program. David Heltman led in the reading of Psalm 25 and the prayer to follow. Nancy Herrmann contributed a personal piano arrangement of "Abide with Me." Janice Everson and Carolyn Peterson gave a sacred vocal luet.

The pastor, Rev. Joel S. Peterson, gave a brief sermon on "Christian Growth." Following the sermon the members of the class repeated their prayer of dedication.

Diplomas were presented by the pastor, and the chairman, Morris Bergesen, presented gift Bibles on behalf of the church.

Dr. Blodgett to Give Sermon Here

"He will bring us a message of hope and love for ourselves and for mankind," say the pastors, Bishop George A. Miller and Rev. Harry E. Shaner.

Church School is at 9:45 and 11 a.m. The High School Youth Fellowship will meet at 6:45 p.m. Sunday.

Dr. Emerson Blodgett will preach the sermon at Lafayette Community Methodist Church at both the 8 and 11 a.m. services Sunday.

Dr. Blodgett is an ordained Congregational minister, a consulting psychologist, and professor of counseling at the Pacific School of Religion in Berkeley.

Providence Guild Party Tomorrow

The Santa Maria Branch of the Junior Guild of Providence Hospital will entertain at a buffet dinner at the Carroll Ranch in Moraga tomorrow evening, to raise funds for the Hospital Clinic, which the Guild supports.

Dinner will be served beside the pool, and several folk dances will be presented by members of the group. After dinner, there will be dancing and swimming.

Mrs. Charles B. Neuman is chairman. Her assistants include Mesdames Thomas J. Moran Jr., William G. Robinson, John T. Heafey, Robert H. Pulford, John M. O'Brien and Adolph A. Markstein.

Mrs. Frederick C. Kracke of Walnut Creek is president of the branch, which is composed of women in the Lafayette-Walnut Creek area.

Job's Daughters' Last Spring Meet To Be Held Tonight

Last spring term meeting of Job's Daughters, Bethel 218, will be held at 7:30 tonight in Veterans Memorial Building. The committees for the meeting are headed by Susan Adair, decorations; Judy Fry, refreshments; Marilyn Day, cleanup; and Priscilla Myers, serving.

The Bethel received its charter and number at the last meeting and held election of officers for the following term. New officers are Kathy Trembath, Honored Queen; Shirley Gee, Senior Princess; Pat Arneson, Junior Princess; Joan Hogue, Guide; and Elizabeth Burns, Marshal.

A formal tea in honor of the outgoing officers was held at the home of Mrs. Thorvald Jacobsen last Sunday. Sandwiches, cookies, tea and punch were enjoyed by all the girls and their mothers.

Dr. M. Steig Talks To Fire Volunteers

Dr. Milan B. Steig, registrar-instructor of the Western Training School at St. Mary's College was the featured speaker at the meeting of the Moraga-Canyon Fire Department Volunteers Tuesday night at Moraga School. He talked on "Home Fire Protection."

Captain Al Baitx of the Moraga Fire Station was in charge of the meeting. Refreshments were served and a movie, "Brush and Grass Fires," was shown.

'Huck Finn' at Kids' Matinee

"The Adventures of Huckleberry Finn," will be the aproved film shown tomorrow afternoon at the Children's Matinee at the Park Theater at 2 o'clock.

This movie, starring Mickey Rooney, is a beautifully photographed and highly entertaining screen adaption of Mark Twain's beloved classic. It is a story of a poor, happy-go-lucky boy and is full of adventure. Special features and cartoons will also be shown. Doors will open at 1:45.

First summer vacation matinee will be held next Thursday at the Park Theater. The picture to be shown then will be a Roy Rogers film, "Trigger Jr." This will be a showing of a particularly good "Roy Rogers" Western in natural color, with a traveling circus and thrilling horsemanship. Especially good for the eight to 12-year olds.

Return to Duluth

Mr. and Mrs. F. B. Knowlton, who have been visiting at the home of Mr. and Mrs. B. F. Fletcher, have returned to their home in Duluth, Minn. Mr. Knowlton is a brother of Mrs. Fletcher.

HOW SAFE IS YOUR CAR?

Safety inspection of the car does not end with tesung out the brakes and greasing the steering gear. It has to do with every part of the car, including the battery, the carburetor and the electric wiring.

About our happy Country Folks

By EDITH BOLMAN

LAST WEEK MEMBERS OF THE ORINDA GARDEN CLUB came to be charmed and remained to chortle. Final meeting of the season was held at the home of Mrs. Edward Dorresten. Those who had not been there before sniffed around in the corners, ostensibly for the purpose of admiring the flower arrangement, which Garden Club members may do according to Hoyle. Actually, they were doing no such thing — they were "charmed" with the beautiful colors and unusual features of the house.

The "chortling" came next. Robert Sax, noted authority on rock gardens, dished out to the ladies a most erudite and phislosophical talk on what to do about the problem if you are faced with the planting of a rock garden. His humor and originality of presentation will certainly go down in history as a highlight to everyone who was there.

He even gained respect from the weather, which, if you remember a week ago Thursday, didn't have much respect for anyone else — first a slight shower, then sunshine during the talk and box lunch, then wind and cold — and it's June, too!

Those who took office were: President, Mrs. Walter Cole; vice-president, Mrs. John Barchfield; treasurer, Mrs. Lloyd Rowley; recording secretary, Mrs. Edgar Stewart; corresponding secretary, Mrs. H. S. Doane, and publcity and historian, Mrs. Ambrose MacDonald.

INTERESTING VISITOR — our recent Undersecretary of State, James E. Webb, who has been the house guest of his old friends, the Joseph Rupleys.

Another California trip — We love to write about these historical spots. The Kenneth Renwicks and children Valerie, Kit and Doug took a three-day jaunt to the Sonora and Jackson area, which was most obliging of them from our point of view because we cornered them as soon as we got wind of it, and this is what we gleaned:

In Jackson the hotel is 75 years old, and small Kit was thoroughly annoyed with his stodgy old parents because they wouldn't rearrange their lives to stay longer to see the Kit Carson Festival, which commemorates another gent named Kit.

They made plans for the future to revisit Angels' Camp during the jumping frog season. The hotel in Volcano is 100 years old — houses from the day of Kit Carson and John Fremont are still standing. The Odd Fellows Hall in the town of Jenny Lind is where the last mentioned sang in the afortementioned.

Byron Hot Springs, the spa of 80 years ago, is beginning to show signs of age — and why not?

The children saw their first gold mine and the moaning caves which, according to whoever it is who knows about such things, had the acoustic heebee-jeebees and actually used to moan, and wouldn't you, too, if you were full of statactites and stalagnites?

Anyway, the University of California has unearthed some right ancient fossils from said cave. The Indians used it for a burial ground — could bury a lot of Indians in there; after all, it is taller than a 12-story building.

LOCAL GIRL SCOUT AND CUB packs are staging their final shenanigans to polish off the 1952 spring term.

Ladies of Girl Scout Troop 86 cavorted in the E. H. Burketts' swimming pool as the guests of Carolyn Galatin, and they ate enough ice cream cones and soda pop to incapacitate them permanently but, being nine years old, they weren't incapacitated at all.

Gentlemen of Den 6, Pack 32, carried on in similar fashion at the Park Pool — and now school is out — oh dear!

INTERESTING NEWCOMERS TO ORINDA by way of Shanghai and Portland, Oregon — the John Essigs and son John who have moved into their home on Bobolink Road and are busily establishing a garden. Somewhat different from what they had planned, because they thought they could return to China to live but, of course, you know what happened.

Dr. James Hayward manages to get home from Fort Ord on weekends to work in his garden. Wonder how he enjoys denting the fill as compared to his old occupation of filling the dentation.

Other newcomers on Bobolink — the William Douglas' and children from Berkeley.

Visitor from London — Mrs. J. N. Davis, who is here with her daughter and son-in-law, Mr. and Mrs. Perc Brown.

IN THIS COLUMN WE ARE NOT REFORMERS or crusaders, nor are we biased for or against any factions, but we would certainly like to air our views on the subject of dirt trucks, cement trucks and other pieces of non-residential motorized equipment which race around on our roads with fascinating disregard for our safety, our lives and our children.

The other day as we were stopping to make a left turn into the Orinda School grounds at 8:45 a.m., when vast numbers of other mothers and school buses are doing the same thing, we were passed on the left by a truck which ignored our left hand signal AND the school zone sign.

On many occasions, during school hours, we have observed traffic between the school zone signs going much faster than the legal limit, and we have also noticed small boys having to go into the street to recapture a baseball, thereby going right into the line of traffic.

Also, late one afternoon a car driven by an elderly couple was forced up on the bank in front of the school and almost turned over, because of a car passing which had no business to pass in that spot. On that occasion some bystander was so outraged that he followed the offender and got his license number.

It is our understanding that the accident record, as far as the school is concerned, has been excellent so far, but our area is growing and it appears there will be continued future building requiring heavy equipment to be on our roads. Are we going to permit growth and progress to rob us of a few children in the process, or can we force all motorists to obey our traffic rules so that we can grow and let our young ones grow too?

AN ESCARGOT FOR YOU and an escargot for me — that, boys and girls of the Acalanes French Club, means snail — not the type which ogles at you over the top of the petunias, but the French type that you put in a special pan with parsley and drawn butter (there's another one of those expressions: now just how do you draw butter, particularly if it is melted?) . . . anyway, the local group met and supped recently at the home of Joe Foster, and afterwards they danced and looked at the pictures brought by Florence Bassignan.

Incidentally, Joe has been corresponding with a boy in Escautpont, France, for the past several years — very interesting for those of us who have been on hand to have the letters translated with the able help of Mre Foster, Pere Foster and anyone else around who happened to have a French dictionery.

RECENTLY WE WERE STARTING TO COOK DINNER after a hard day, and small daughter announced that she planned to make an apple pie. Considering something we had read about progressive parents, we told her to go ahead.

After a certain amount of falling over each other in the kitchen, Father arrived and made a few additions to the pie, which caused small daughter a certain dignified hysteria because she has always been told that she is too young for wines and liquors.

Then Father turned on the Jersey Joe Wolcott-Ezzard Charles fight and our little black dog shrieked and howled that he wanted to get in. We gazed in horror at the effluvium collecting on the kitchen floor as a result of pie construction and slunk off to read ads about sound-proofed rooms and padlocks. About that time things were squaring off rather badly for Mr. Charles and we could judge by the kitchen sounds that the pie was being rolled out — we hoped not on the floor.

Father, daughter and dog emerged from the kitchen white with flour and asked benignly, "When do we eat?" At that point Mr. Charles got what was coming to him and the announcer observed that Jersey Joe had certainly discovered the fountain of youth. We sincerely hoped he had and would split the dope with us, because we weren't getting anywhere with sound-proofing and padlocks.

Of course, Ponce de Leon had cashed in on that fountain fo youth business but Ponce's methods are a little outmoded. Anyway, the pie was good, and now we are listening to bird calls on the Amateur Hour.

That is all.

Your Garden

Pansies Are the Garden's Kibitzers— They Have Personality All Their Own!

By BERT WRIGHT

DID YOU EVER GROW a crowd of pansies?

Yes, "crowd" is the term to use in referring to these flowers with faces—the little people of the garden.

With only one or two plants you won't get the impression of human characteristics, but just set out a group of eight or 10, with brown-eyed yellow ones predominating, and you will raise a crop of kibitzers which seem to watch your every outdoor move through most of the summer.

IF PARTIALLY SHADED and properly cared for, pansies will bloom in this area continuously until frost.

Plant them in good soil where they can receive a half-day's sunshine. They can be set out long before the frost-free date if they have been hardened off in a cold frame by the grower.

Plenty of plant food in the soil is essential, so be sure to work in some complete plant food when preparing the plant area. Never let them suffer from drought, since this will immediately throw them into a semi-dormant state with cessation of bloom. Mulching with peat moss is appreciated by pansies.

AS THE SEASON progresses the plants may get leggy and spindling, so in August cut them back, give them a light feeding, and they will be ready to come again in the fall.

Over-wintering pansies is possible, but not usually profitable, since it is only an occasional plant that will bloom as well the second year as it did the first.

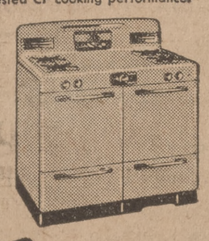
You can try it, however, to see what kind of luck you might have. Simply cover the plants with three or four inches of straw late in autumn.

Home is where you hang your clothes and where you eat — and where you buy clothing, food and other items.

You can be away for the day...

with a modern CP automatic Gas range

UNIVERSAL—one of the leading brands of automatic Gas ranges that offers tested CP cooking performance.



GAS... the modern fuel is so CLEAN!

You'll enjoy new freedom from kitchen tasks when mealtime cooking takes care of itself. You'll be free to enjoy more leisure hours, too, while at home or when you're away for the day—with a modern automatic CP Gas range. Exactly controlled ovens that maintain temperatures as low as 250° and large smokeless broilers save time and food shrinkage. All burners, including ovens and broilers, light automatically giving desired heat instantly. Make a point to visit your appliance dealer. Let him show you why CP is your best guide to selecting a modern automatic Gas range.

CP is a trademark, not a brand name. You'll find it on leading makes of automatic Gas ranges, including: Wedgewood, Western Holly, Maytag, Magic Chef, O'Keefe & Merritt, Occidental, Tappan, Roper, Norge, Caloric, Hardwick, Detroit-Jewel, Estate, Gaffers & Sattler, Grand, A.B., Crown, Odin, Perfection, and Quality.

New Support for Banning Poker Clubs; County Postpones Action Until July 1

With increased support for El Cerrito city officials, the battle to ban poker parlors in "No Man's Land" flared again before the County Board of Supervisors Tuesday, but the skirmishing was put off until July 1.

Because of the absence of Supervisor Ivan Goyak due to illness, the matter was continued to that date. In the meantime, the district attorney's office is to study the problem, with a report due on July 1.

Referral to the district attorney's office was made by the supervisors at a session attended by City Manager Kenneth H Smith of El Cerrito, who two weeks earlier had requested an ordinance prohibiting card tables "in unincorporated areas that are adjacent to cities that prohibit card rooms and in other communities where residents have clearly demonstrated a desire to prohibit such card rooms."

RECENT REPORTS have been that the Wagon Wheel, erstwhile Pechart-Kessel gambling spot, is about to become a draw poker parlor. The nearby cities of El Cerrito, Richmond and Albany prohibit such places.

Received by the supervisors, in addition to an earlier protest by the El Cerrito City Council, were protests by the Richmond City Council, the Lafayette Improvement Association, the Mira Vista Lmprovement Club and the Dads Club of Portola Junior High School of El Cerrito.

THE LAFAYETTE IMPROVEMENT Association letter, addressed to Board Chairman H. L. Cummings and signed by President W. B. Scarborough, stated:

"As you will recall, the Lafayette Improvement Association was very disappointed last fall when the Board of Supervisors refused to do anything in regard to regulating poker clubs. As you will remember from Mr. Collins' letter to you of September 11, 1951, it is possible for the board to pass an ordinance requiring that an application for a license be passed on by the board before a poker establishment can be set up.

"We now understand that at the request of the City of El Cerrito this matter is again before the board and we therefore wish to strongly reiterate our stand in favor of licensing."

Board OK's Plans For Las Lomas, Acalanes H. S.

Acalanes High School District trustees, meeting Tuesday night, okayed the lowest of three bids for paving the parking area at Las Lomas High School. The contract was awarded Ferabee Company on a bid of $6350.

Other business by the board included:

1.—ACCEPTANCE of the completed locker addition to the boys' locker room at Acalanes, ready for use in September.

2.—APPROVAL of final plans for additional construction at Las Lomas for two new units, a multi-use and music building and a classroom building.

3.—DECISION to place $320,000 in bonds on sale after July 1, based on the recent bond election, to meet costs of the added construction to Las Lomas.

4.—CALLING for bids to furnish temporary outside bleachers at Las Lomas to seat 400.

5.—APPROVING employment of two additional Acalanes teachers, James Norton, formerly of Woodland High School, to teach social studies, and Stuart Ingles, formerly with Grass Valley High, to teach math.

The board also approved salary adjustments for general personnel and teachers to enable district employees better to meet th rising cost of living.

Art Fair To Give $1200 in Prizes

Prizes totaling $1200 will be awarded at the Fourth Annual Art Fair, scheduled for September 7, 8, and 9, on the Howard grounds in Walnut Creek.

The show, sponsored by Outdoor Art Shows, Inc., will offer prizes in oil painting, water color, sculpture, prints, photography, ceramics and jewelry, with a popular prize of $25 to be awarded by public vote.

Prizes will be as follows:

Oil painting; first $250, second $100, third $50. Water color painting; first $100, second $75, third $25. Prints; first $50, second $30, third $20. Photography; first $50, second $30, third $20. Sculpture; first $100, second $50, third $30. Ceramics; first $50, second $30, third $20. Jewelry; first $50, second $30, third $20.

Jurors, chosen from the Bay area, were announced last Sunday. Sculpture, ceramics and jewelry will be judged by a jury different from that judging paintings and prints, and from that judging photography.

Entries from the Diablo Valley area are desired so that a large percentage of local work can be exhibited. Painters interested in exhibiting may contact Barbara Sigerson, painting chairman, at Orinda 8103.

Recently the chairmen for the membership drive planned by the group met at the home of Mrs. Peter Howard on Walnut Boulevard.

It was announced that memberships in the organization will go toward the general fund. Membership entitles holders to the Preview Night party on September 6.

Membership also includes notification of current activities sponsored by the organization such as changes in exhibits at the Artists Market, 1045 Stuart Street in Lafayette, and the Artists Market benefit at Werness, Interiors.

Attending the meeting were Mrs. Stanley Bush, general membership chairman, Mrs. Richard Brink, Mrs. Aubrey Macomber, Mrs. Milton Bell, Mrs. Thomas Ryan Flinn, Mrs. John Larieu, Mrs. Thomas Sorensen, Mrs. Flora Hook, Mrs. Edward Larmer, Mrs. George Clifford, Mrs. Almon White, Mrs. T. O. Edwards, Mrs. Robert Clough, and Mrs. Philip Merrill.

Jewish Women Install Officers Next Wednesday

Annual installation luncheon and meeting of the League of Jewish Women will be held next Wednesday, 12:30 p. m., at El Nido Restaurant in Lafayette.

New officers for the coming year are Mrs. Lewis Rapport, president; vicepresident, Mrs. Marvin Epstein; recording secretary, Mrs. Harold Bloom; correspondign secretary, Mrs. Irving Lieber; treasurer, Mrs. Sam Wiseman; historian, Mrs. David Highiet.

Committee chairmen include Mesdames Jack Cronin, Arthur Sharlack, David Dolgin, Lawrence Litz, H. W. Stolmack, Arthur Weisbert, Percy Cohn and Harold Siner.

Mrs. Herman Silverman will present a humorous skit. The outgoing president, Mrs. Robert Robinson, will preside during the meeting.

Reservations will be accepted until tomorrow by either Mrs. J. Deutscher, Concord 5940, or Mrs. Henry Brodsky, Walnut Creek 2694.

Confused? This Should Correct Vote Breakdown!

Hindsight is always better than foresight, they say, and Saturday night quarterbacks are a dime-a-dozen.

Be that as it may, this is definitely hindsight — and we hope it serves to eliminate whatever confusion may have been caused by some of the page 1 tabulation on the June 3 primary election voting, in last week's Sun.

The row of figures listed for Pleasant Hill should have been listed for Lafayette. The row listed for Lafayette should have been for Orinda. And the row listed for Orinda should have been for Pleasant Hill.

Outside of that, everything was correct!

Need Help to Get Scout Camp in Shape

If you're handy with a wrench, hammer, saw or just about anythings, you're needed by the Diablo Valley Area Girl Scout Council.

The Established Camp committee of that organization this week sent out an urgent appeal for help to repair the Sierra Woodland Girl Scout Camp which was damaged by winter snows.

Jeanne Christy, camp director, and Mrs. Robert Evans, chairman, after a recent trip to the camp, reported most of the buildings have settled on their foundations, wires are down, pipes broken, and roofs have been damaged.

To help get the camp in shape the committee has planned two work weekends. They are June 20 to 23 and July 3 to 6.

The committee said that any volunteer labor would be appreciated. Especially needed are electricians, plumbers, carpenters and general handymen.

In addition, any building materials, including lumber, nails, shingles, wires, and pipes are needed.

The Council is planning to provide cooks and food for volunteer workers, and Sierra Woodlands Camp will provide early morning and late evening fishing opportunities.

Car pools will be formed to help with transportation.

If you're interested, call Peter Howard, W.C. 2435, Marvin Taylor, Concord 8019, Robert Evans, Lafayette 4629, or George Conner, Alamo, Vernon 7-2324.

Robert Condon Thanks Voters

Robert L. Condon, winner of the Democratic nomination for Congress from the 6th District, this week thanked voters for their support.

"I want to thank everyone who worked so hard to make my campaign a successful one," he said. "and also to express my thanks to the many voters of both the Democratic and Republican Parties who voted for me in this primary election.

"I am gratified by the confidence the voters have shown for my program and candidacy for this high office and I will always work to make Contra Costa and Solano Counties a better and more prosperous place."

Camp Wolfeboro Repairs Slated

Camp Wolfeboro, summer camp of the Mt. Diablo Council, Boy Scouts of America, suffered extensive snow damage during the unusually severe winter. This was discovered by Ford Carr, camp director, and Charles Wolfe, camping and activities committee chairman, when they hiked into the still snowbound camp last week, to survey conditions there.

Several of the buildings were damaged, principally the kitchen, with the walls eight inches out of alignment and a part of the roof torn off. Damage to the total camp is estimated at several thousand dollars.

A large number of volunteer workers will spend the next two weekends making repairs, so that the camp can open on June 26, as scheduled.

Commuters Association Studies Plan for New Bus Pickup Spots

Plans for improvements in Greyhound bus service occupied the attention of the Contra Costa County Commuters Association at its regular monthly meeting Tuesday night at Acalanes High School.

Association President Arthur Bowman of Orinda commented favorably on the manner in which service has been resumed following the bus strike which ended late last month. Dudley Thickens of Walnut Creek outlined a plan for re-routing the buses in San Francisco, either by way of Second and Mission Streets, or from the Ferry Building, in order to bring them closer to the downtown area where most of the commuters are located.

The downtwn pickup point is now at Essex and Folsom, near the bridge approach. Any change in routing would of course first have to be approved by Greyhound, the City of San Francisco and other regulatory bodies.

A THREE-MAN committee consisting of Thickens, Ned Smith of Orinda and John E McKirahan of Lafayette was appointed to review the proposal in detail, and rejort on it at a later meeting before taking further steps.

Ned Smith gave an account of the proceedings at the last meeting of the Diablo Highway Improvement Federation, which he attended, and where it was decided to send representatives to Sacramento to bring the transportation problems of this area more forcibly to the attention of the State Highway Commission.

Ruth Bell of Walnut Creek, chairman of the membership committee, who has been unable to continue because of illness, was granted an indefinite leave of absence. Francis Schrupp of Lafayette was appointed to head the membership drive, which was suspended during the recent bus strike.

DEL ARMSTRONG of Walnut Creek asked that the association direct a letter to the Federal Communications Commission in Washington, D. C., urging early consideration of a pending application for a 250-watt broadcasting station for Walnut Creek. He stated that such a means of communication would have been of great help during the bus strike, in augmenting the service which was given by the local press in the formation of ride pool groups and keeping the membership promptly informed of developments.

Arthur Westlund of Lafayette, present owner of KRE in Berkeley, is understood to have filed an application for the radio station several months ago, but due to the many applications pending for both radio and T. V. station, his application has not yet been acted upon.

After some discussion as to whether or not the Commuters Association should go on record in the matter of such endorsements, it was decided that since it would be a definite advantage not only to the commuter group, but to the whole community, to have such a station, a letter would be directed by the association, urging early attention to the aplication.

It was announced that Aubrey Macomber of Walnut Creek, past president of the association, had undergone surgery at Merritt Hospital. The secretary was directed to write him a letter assuring him of the best wishes of his fellow commuters for a rapid recovery.

President Bowman announced that there would be no July meeting, due to vacations.

MacLeish Gives Mills Grad Talk

Mills College commencement exercises were held in the Greek Theater of the Oakland campus last Sunday afternoon. Archibald MacLeish, poet and former Librarian of Congress, delivered the commencement address. His subject was "The Surrender of the American Proposition." MacLeish is currently Boylston Professor of Rhetoric and Oratory at Harvard University.

Elizabeth Heller of Atherton was class valedictorian.

Rev. Donald M. Baillie of St. Andrews University, Scotland, conducted baccalaureate services in the Mills Concert Hall Sunday morning.

CPS Reminder: Carry Card When Vacationing

"Carry your C.P.S. membership card when you go on vacation."

That reminder is issued by California Physicians' Service, the Blue Shield voluntary health plan, to its members at the approach of the vacation season — one of the year's "high" periods for injuries and illness.

Naval Reserve To Take Trip to Oakland Center

Instead of holding the regular meeting of the United States Naval Reserve Volunteer Composite Unit 12-15 at Acalanes High School, the unit will go on a field trip to the Aircraft Filter Center in Oakland Tuesday night at 7:30.

Members will have an opportunity to see how planes are identified and mapped by volunteers who are taking a vital part in the protection of the Bay Area from an air attack.

Captain Norris of the center will conduct the tour and explain the workings of the center.

Water Damage To Walnut Trees To Be Discussed

Ways of saving walnut trees from dying of wet roots will be discussed at a meeting of the Agricultural Extension Service at 1:30 a.m. tomorrow at the Will Hall ranch west of Reliez Valley Road.

High water table which developed during the past wet winter is reported to be causing injury to a large number of walnut trees in the local area.

At the meeting Farm Advisor Milton R. Bell will demonstrate how to distinguish between "wet feet" injury, crown rot and other troubles. Methods of prevention will be discussed.

Sanitary District Votes to Raise Engineer's Pay

Directors of the Central Contra Costa County Sanitary District at a meeting last Thursday voted to extend Civil Service status to Sanitary District Engineer G. A. Horstkotte and Attorney John A. Nejedly.

The boards action will mean an increase in Horstkotte's salary from $725 to $775 a month.

THE BOARD LAID OVER UNTIL the next meeting any action on a request for a discussion on sanitary district rated in connection with the new Fair Oaks School.

The request was presented to the board by Superintendent James W. Dent and President Oscar Larson of the Mt. Diablo Unified School District.

In other business presented to the board, Superinendent W. B. Ellis of the Lafayette Elementary School District appeared before the board on the subject of working rate schedule for the V[illegible] School in his district.

BOARD CHAIRMAN E[illegible] Johnson suggested that a [illegible] charge of $10 a class room be added for the present nine [illegible] the school, and indicated a [illegible] ment would be made on [illegible] schedule when two more cl[illegible] are added to the structure.

Action on several other [illegible] set for discussion was continued by the board because of the heavy [illegible] of business on the agenda.

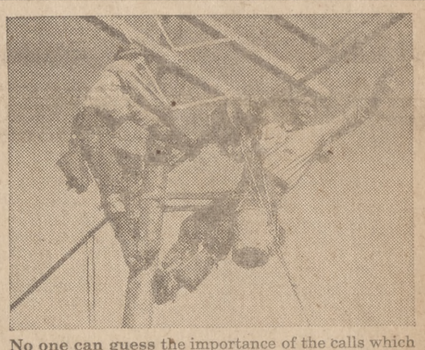
The capable hands of telephone operators are ready to put your calls through—when and where you want.



No one can guess the importance of the calls which will flow through the cable these linemen are installing.

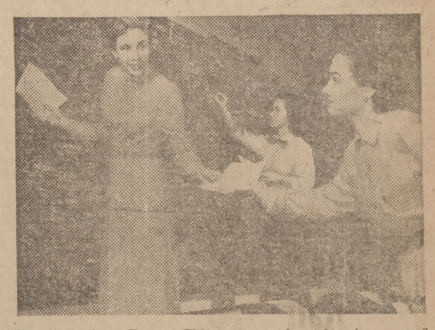
When trouble strikes, telephone men get going fast to keep your telephone always at your service.

Making it pleasant for you to do business with us is the aim of our business office people who serve you.

Their work keeps our nation united

75,000 Pacific Telephone people are helping make us a nation of neighbors

Perhaps never before has every job done by the men and women on the telephone team been so important to our country. In countless ways, our nation is using the telephone to get things done faster—in defense plants, among our armed forces, on the everyday jobs of all Americans. One of the reasons why we can outproduce any other country is that we have more telephone service, and better telephone service. This service would be impossible without the skill and devotion of the people who work to provide it.



Re-routing Long Distance circuits is one of the many interesting telephone jobs for women . . . 48,000 women in the West. And that they like their jobs is demonstrated by the length of time they have stayed in telephone work—longer than seven years, on the average. Among telephone men, the average length of service is now nearly twelve years. Together, telephone men and women account for more than two-thirds of our total operating expenses (in wages, benefits and provision for service pensions). We do all we can to make telephone jobs good jobs . . . the kind that attract and keep the capable people so important to good telephone service.

Your telephone is one of today's best bargains

In 1951, our total wage costs came to more than a quarter of a billion dollars—nearly four times that of ten years ago. Yet in spite of higher wages, higher taxes, higher costs of everything we need to provide service, we've kept telephone rates one of the best buys in your budget today.

Pacific Telephone

County Recreation Summer Institute

A cooperative training program will be held by Central Contra Costa County Recreation Departments on June 16 and 17.

Recreation leaders selected for the summer season will attend an Institute prepared by the recreation superintendents of Concord, San Ramon, Walnut Creek and Pleasant Hill.

The training course will cover all phases of leadership, active and quiet games, story telling, dramatics, crafts and sports.

There will be actual participation in party and low organized games, teaching techniques, music and nature study.

The Institute will be held at the Concord Community Center from 9 a.m. to 4 p.m., on both scheduled days. Any youth leaders in the area are invited to attend.

...od, Preserver ...Man' Topic of ...istian Science

...citations referring to the ...ence of Abraham, Joseph, ...s, and Jesus will be used in ... Christian Science Lesson-Ser... for Sunday, June 15, on the ...ect "God the Preserver of Man." ...orrelative passages from the ...istian Science textbook "Science ... Health with Key to the Scrip...res" by Mary Baker Eddy, will ...clude the following:

"Discerning the rights of man, we cannot fail to foresee the doom of all oppression. Slavery is not the legitimate state of man. God made man free. Paul said, 'I was free born.' All men should be free. 'Where the Spirit of the Lord is, there is liberty'" (p. 227).

Straw Hat Revue Opens on June 26

The popular Straw Hat Theater troupe celebrates its sixth summer season at Lafayette Town Hall, with an all-new musical revue, "No Worse for Wear," which opens officially on Thursday, June 26. The opener will be preceded by three benefit performances, June 23, 24 and 25, with houses sponsored by the Walnut Creek Exchange Club, Berkeley's Herrick Hospital Giuld and Alpha Gamma Delta Alumnae.

Since closing the record-breaking San Francisco engagement of "How's That Again?" on April 19, the company has been writing, building and rehearsing "No Worse For Wear." In the best Straw Hat tradition of zany satire, larger-than-life sketches, tuneful music and clever dances, "No Worse For Wear" consists of 14 brand new acts.

Movies, grand opera and election year get plenty of comic attention.

Elizabeth Berryhill, founder of the Straw Hat Theater, wrote and directed the new revue, Gordon Connell composed the music and Jeannie Taylor Herst did the choreography.

"No Worse For Wear" will play nightly except Sunday at 8:30 p.m. Tickets go on sale Monday at Richards Drug Store, Lafayette; Sherman Clay, Oakland, and the Straw Hat office, 2571 Shattuck Avenue, BE 7-6460. Theater box office opens at 6 p.m.

Realtors Hosts to County Supervisors

Directors of the Contra Costa Real Estate Board were hosts at a luncheon honoring the Board of Supervisors at Paul's in Martinez on June 4. Also present were County Auditor D. M. Teeter, County Surveyor Joseph Barkley and Planning Technician Thomas Heaton.

The realtors, through President Harlan Gelderman, pledged further close cooperation with the supervisors and county officials on matters pertaining to real estate and the orderly development of land in the County.

School for Palsied Children Discussed

Chances of a school for cerebral palsied children being established in Central Contra Costa became brighter last week.

Possibilities of such a school were discussed by representatives of state, county and local educational agencies and the County Health Department. Among those present at the conference were Dr. Herbert R. Stolz and Francis Doyle of the State Department of Education.

According to the discussion, the following are needed:

A site near a regular school; a specially equipped building; specialized transportation; two teachers, a custodan, matron and physical therapist; and furnishings.

Ways of financing the school will be investgated later. The group ponted out that state funds will be available.

West Contra Costa already is served by one such school, the Christina B. Cameron School at El Cerrito.

Typos Install Union Officers

Officers of Martinez Typographical Union Local 597 were installed at the union's meeting at I.O.O.F. Hall in Concord Sunday. The officers, who were elected last month, will serve for one year.

Local 597 has jurisdiction over all Contra Costa County except Richmond.

Those installed were M. F. Cardwell, linotype operator at the Sun Publishing Company, president; Charles Rothrock, vice-president; Carl G. DeTar, secretary-treasurer; executive committee members (in addition to the three officers), F. W. Johnson and Orrim Alford; auditing committee, F. W. Johnson, W. B. Wood and Reynolds Nye; sergeant-at-arms, Fred C. Nicolosi.

All except Alford and Nicolosi were reelected. Ben Stotts of Martinez was installing officer.

'Berkeley Square' Presented at Geary

Huntington Hartford is presenting a revival of "Berkeley Square" which opened a very limited engagement at the Geary Theater in San Francisco on Monday. The cast is headed by Peter Hanson, Marjorie Steele, Doris Lloyd and Douglas Wood.

Performances are given every night except Sunday, with matinees on Wednesday and Saturda at 2:30 p.m.

"Berkeley Square" was written by the distinguished American playwright John Lloyd Balderston after reading Henry James' "The Sense of Tme." The play deals with the transmigration of time. Peter Standish, a modern young American, inherits a Queen Anne house in London. He becomes so engrossed by its antiquities that he succeeds in bridging time from the 20th to the 18th Century, and he falls deeply in love with a beautiful young woman who died over 100 years before he was born.

PREVENTS MANY STRAINS

There is a degree of truth, perhaps, in the charge that car makers are responsible for the situation that makes it necessary to slam the automobile door in order to close it, points out the National Automobile Club. Car owners, however, are not entirely innocent, and a little oil or graphite applied to door locks and strikers will demonstrate this to the satisfaction of the most skeptical.

Graduation at St. Mary's Set For Tomorrow

Dr. Mortimer J. Adler of Chicago, author of the Syntopicon and co-editor with Dr. Robert Hutchins of the Great Books of the Western World, will be the main speaker at the 89th commencement exercises of St. Mary's College tomorrow at 2:30 p.m.

Commencement week began with a three-day spiritual retreat at Mission San Juan Bautista. Rev. William G. McGuire, student body chaplain, accompanied the seniors to the Mission, where Francisan Fathers will conduct the retreat.

Under auspices of the East Bay Alumni Chapter, the senior banquet was held in the Leamington Hotel, Oakland, last night. Alumni speaker was J. Phillip Murphy, Oakland industrial leader and a member of the St. Mary's board of trustees, board of regents and athletic board. Toastmaster was William J. Fitzgerald of San Francisco., past president of the Alumni Association and a St. Mary's regent.

"Catholic Action and Civic Duty Day," will be observed today. Speakers in Poplar Grove on the campus will be Rev. John J. Hunt, Sylvester Andriano, Dr. Walter E. Weber, John I. Hennessy, executive secretary of the Associated Home Builders of the Greater East Bay, and District Attorney J. Frank Coackley of Alameda County.

Rt. Rev. Monsignor William M. Burke, dean of the Catholic clergy of Contra Costa County, will deliver the baccalaureate sermon at the 8 o'clock Mass in the College's Chapel of Our Lady on Commencement day.

Local Airmen Attend Association Meeting

Three area residents attended a recent meeting of the California Association of Airport Executives in Stockton.

Representing the local area were Noble "Buck" Newsom, airport manager, and Marvin Scott, assistant airport manager, of Buchanan Field. George Brelie of Walnut Creek represented the Ansul Chemical company which exhibited fire fighting equipment.

Legion of Honor Medal Bestowed On Henry Kaiser

Henry J. Kaiser, famed industrialist ,received France's coveted Legion of Honor Medal at a formal banquet in the Scottish Rite Auditorium in Oakland June 5. The ceremony was part of "Henry J. Kaiser Day," held in conjunction with the Oakland Cetnennial Celebration.

"With all my heart, I am grateful tonight," said Kaiser, whose home is on Pine Lane in Happy Valley, Lafayette.

ROGER SEYDOUX, one of France's outstanding diplomats and educators, flew to Oakland to present the medal personally. He referred to the industrialist as "America's greatest success story."

Kaiser stood humbly as Seydoux pinned the medal upon his lapel and bestowed the kiss salutation of France. As a throng of newspaper and newsreel cameramen popped flash bulbs, the audience stood and applauded.

KAISER TRACED the growth of the industrial empire he has created. "In industry and commerce, the freedom to compete and equality of opportunity are basic and essential parts of our way of life," Kaiser stated.

Telegrams from Governor Earl Warren and Senator William F. Knowland, congratulating Kaiser and announcing regret at being unable to attend, were read at the dinner.

Kaiser's "empire" includes over 100 plants and facilities in 20 different industries and enterprises. In addition, there are the Permanente hospitals. Come July 1, Permanente will take over the Art and Garden Center in Walnut Creek for construction of a modern hospital there.

Heads 'Fourth Estate'

Bruce LaCentra, son of Mr. and Mrs. Anthony LaCentra of Oakland, is the new president of the Fourth Estate, St. Mary's College journalism society which annually sponsors a high school press convention on the campus.

Install Officers At Annual Dinner Of Developers

Dudley Sutherland of Berkeley Park, assistant district freight agent of the Santa Fe Railway, was installed as president of the Contra Costa Development Association at its 16th annual installation dinner at Orinda Country Club last Saturday night.

A slate of new officers, including 21 directors, were installed, with past President Leigh H. Smith acting as master of ceremonies.

Dr. Lillian Gilbreth, outstanding time study engineer and heroine of "Cheaper by the Dozen," was speaker of the evening. Dr. Gilbreth interupted a packed western schedule to include the speaking engagement for the Development Association, of which her brother, William Mollar serves as president for a short time before his death in 1946.

Superior Judge Hugh H. Donovan, also a past president of the organization, presented to the retiring president, Joseph L. Judson, a certificate of appreciation of his service.

In addition to Sutherland the officers installed included four vice-presidents, a corporate secretary, and 21 directors.

LOOSE BELT

On some types of motors, where the water pump and fan are belt driven, a loss of cooling efficiency may be due to the belt becoming loose and slipping on the pulleys.

Jenkins Talks To Camera Club

The Contra Costa Camera Club met Tuesday night at Orinda Community Church. Jack Jenkins gave an informative talk on the miniature camera, illustrated with his own work.

The C. C. C. C. will have its monthly print and slide competition on Tuesday evening, June 24, at the church. Members are asked to bring prints of Santa Maria Chapel. Refreshments will be served at this meeting.

Garden Center Finale Held Tomorrow

Walnut Creek's cultural and social center for nearly a decade, the Art and Garden Center, will hold its final event tomorrow.

The swan song farewell will be in the form of a fashion show staged by the Walnut Branch of Children's Hospital of the East Bay. The luncheon, slated to begin about noon, will require reservations.

Fashion models for the day will include, Mrs. John J. Hannegan, chairman; Mrs. Spencer Lehman, Mrs. Robert Haring, Mrs. Jack Turman, Mrs. Robert Field, and Mrs. Thorndyke Mackay.

The Center is closing down operations as the properties will go over to the Permanente Foundation for establishment of a hospital at the site.

Operated the past 10 years by Mr. and Mrs. E. C. Ted Counter, the Center has been the scene of fashionable social events, benefit luncheons and teas.

It was known also for its many art and craft shops situated in the various buildings on the grounds.

Spotlighting the Strip

By KITTY COLE

FATHER'S DAY, JUNE 15th. That's this Sunday. Have you planned a nice day for Dad? We wined and dined Mother on her day, and Dad's a great guy too, so let's take him out for an evening of relaxation and fun.

I'm just loaded with secrets these days, and the one about ORINDA WILLOWS, I'm just dying to tell, but must keep you in suspense a little longer. EVE and MILT NELSON, are hard at work on this latest innovation . . . MARY LAMAR, exotic dancing star of stage and screen, has joined the roster of fine acts at PAUL'S VILLAGE. Very sweet and unassuming, this girl, and quite unusual in one who has had the adulation of both Mexican and American audiences. DEAN BORBA, comedian and pantomimist, is a show-stopper. His sense of timing and wonderful facial expressions make him a stand-out in any show. He's a local boy — Orinda . . . DANNY VAN ALLEN'S is such a cool, quiet place to spend an afternoon, that many women are coming in to meet their friends, and while away the hours playing cards in the attractive dining room. How about meeting you there? . . . RUSS ARNO, "young man with a song," now at HARRY MARTIN'S VILLA in Pittsburg, sang with BENNY GOODMAN'S Orchestra for two years, before going out as a single. That lad really loves his work, will sing for hours — as long as anyone will listen, and I'm that anyone. He's great . . . How HELEN HAINES runs a thriving real estate business, and HAL'S restaurant at the same time, is a mystery to me. She's so busy all the time and yet retains a wonderful sense of humor . . . My nomination for the cutest cow-girl at EL NIDO RANCHO — PAT STEVENSON. And by the way, have you been out in the afternoon to hear those organ melodies by JIMMY RODGERS? Plays your requests.

Something to hear . . . "ZAPATEADO" an original tune played by PEPE LANDEROS at the WILLOWS . . . "KEYBOARD COCKTAILS" new Capitol album by CHUY REYES Orchestra . . . RUSS BENNETT'S Saturday night serenade at PLANTER'S DOCK.

MARY LAMAR, exotic dancing star of stage and screen, joins the roster of fine acts now appearing at PAUL'S VILLAGE. JIMMY RODGER'S Orchestra will play on and on. Just signed a new, long term contract.

I'm just loaded with secrets these days, and the one about **ORINDA WILLOWS**, I'm just dying to tell, but must keep you in suspense a little longer. **EVE** and **MILT NELSON** are hard at work on this latest innovation.

Something to hear — **"ZAPATEADO"** an original tune played by **PEPE LANDEROS** at the **WILLOWS . . . "KEYBOARD COCKTAILS"** new Capitol album by **CHUY REYES** Orchestra . . . **RUSS BENNETT'S** Saturday night serenade at **PLANTER'S DOCK.**

HELPFUL HINTS

FROM MILTIE

Here's a method of removing pin feathers which should bring your Thanksgiving or Christmas bird to the oven as smooth as a billiard ball while eliminating that late hour night before session with the tweezers. Melt some paraffin and pour it all over the dressed fowl. Allow the paraffin to harden thoroughly, then pull it off. When you throw the paraffin away, the pin feathers go with it.

I don't know which is worse, taking a little time to pull the dirty little pin feathers out or getting the kitchen all smelly and paraffin all over the place. It might be a good idea but if you have a nice juicy ham instead you eliminate all that trouble.

School Finances to Be Conference Topic

An institute for school trustees in Contra Costa County, sponsored jointly by the Contra Costa County Taxpayers Association and county school superintendents office, is planned for next Friday, June 20, at Acalanes High School.

On the agenda will be panel discussions of school finances and costs, personnel problems, intergovermental cooperation and legal considerations. Approximately 80 trustees are expected to attend. Several educational and govermental experts from Contra Costa and other counties will participate.

Home is where you hang your clothes and where you eat — and where you buy clothing, food and other items.

Custodians Will Meet on Monday

Evan Price of Acalanes Union High School, Joseph Baker of Mt. Diablo High and Roy Humphreys of Contra Costa Junior oCllege are on the committee for the fifth annual Contra Costa Institute for Custodians. The institute will be held Monday, 9 a.m. to 4 p.m., in the gymnasium of Mt. Diablo High School Concord.

Almost 400 custodians from school districts throughout the county are expected.

Baker will preside. James W. Dent, superintendent of Mt. Diablo Unified District, will welcome the custodians.

Shop at home — and save.

Dons, Donnas Receive Awards

Acalanes students and faculty met last week to honor students for merit in citizenship, scholastic achievement and athletic participation in the annual Acalanes Awards Assembly, convened by Principal Stanley Walgren.

The highest award given by the school, a perpetual citizenship cup, was presented to Art Siler, student body president, who with Ann Seulberger, won the American Legion Citizenship Award.

American Legion Essay Contest and Poppy Poster awards were given to essayists Sven Groenings, Barbara Springton, who also received an achievement award from the Daughter's of the American Revolution), and Kathy Simmons, while poster prizes went to Steve Barden, Wayne Lawson and Bud Dodge.

A NAVAL RESERVE Award for good citizenship went to Howard Nemir. The Bausch Lomb Science Award, for the outstanding senior science student, was presented to Jerry Vurek.

The Harvard Club of San Francisco awarded a special Harvard Press edition to newly elected Student Body President Ned Davis as the outstanding Acalanes junior boy.

Twenty Don seniors earned lifetime California Scholarship Federation pins for academic excellence.

THOSE RECEIVING C.S.F. pins with honor ratings for each high school semester were Lorretta Dalby, Louis Galbraith, Marilyn Hansen, Dick Hubach, Elaine Ranker, Dick Rogers, Art Siler, Barbara Springston and Ann Suelberger. Other C. S. F. pin winners were Johanna Allen, Shirley Borklin, Nancy Carlson, Kathleen Davis, Carol Jean Earle, Jodie Eaton, Howard Flanders, Diana Green and Sven Groenings.

Mary Thies, Linda Meade, Bonnie Jeffries, Karen Johanson, Richard Knobel, Ron Fowler, Dave Cranston, Stan Pedder, Diana Greer, Marge Dineen, Pat Miles, Don Kun and Ned Davis were awarded journalism pins for their work on the Acalanes school paper, "The Blueprint."

Following presentation of academic and citizenship awards, students who earned letters and special recognition for prowess in golf, track and swimming, baseball and tennis were made.

Two life passes to all Acalanes events were awarded to Art Siler and Bob Borghesani. The passes represented the 11 and 12 presented in the history of the high school.

Polio Danger Not Great at Camps, Official Reports

Danger of children contracting polio at summer camp seems to be no greater than anywhere else.

B. O. Wilson, chairman of the Contra Costa Chapter of the National Foundation for Infantile Paralysis, said this week that the organization advises parents to continue with plans to send their children to camp.

He said studies in polio epidemic areas indicate that communities, recreation agencies and camps should not disturb the normal pattern of activities.

"Even in a year of high polio incidence," Wilson sad, "the medcal experts tell us that camps may be opened as usual in any area where there is no actual outbreak."

He added that leaflets giving information on polio have been distributed through schools.

Largest Class in Acalanes' History To Get Diplomas at Sunday Program

Largest class in Acalanes history will graduate in commencement exercises at Acalanes Memorial Field Sunday.

The program will start at 2:30 p.m.

John W. McFarland Gets EBMUD Award

John W. McFarland of 50 Via Hermosa, Orinda, general manager of the East Bay Municipal Utility District, was recently presented with a gold service pin on having reached completion of five years of continuous service with the organization.

Twelve other E.B.M.U.D. employees received awards on having reached anniversaries of employment of from five to 35 years.

Acalanes District School Bus Rides Climb 30 Percent

Bus service for schools served by the Acalanes High School District bus system has increased 30% over last year Ross Reagan, Acalanes District business officer stated today, with prospects of another 30% increase in service due for next year.

Up to May the system had traveled 187,410 miles this school year hauling 803,920 students riders from the high school district, and the Lafayette and Orinda grammar districts.

TWO ADDITIONAL BUSES are being added to the fleet for next year upping the total number of buses owned by the Acalanes District transport service to 18.

Michael Dukich, transportation director, disclosed that each bus averages 85 miles per day with 17 full and part time drivers making the hauls.

THE COST PER PUPIL FOR THE three school districts being served averages nine cents per pupil ride. School officials expressed confidence that over an extended period of operation the school transport system will prove a definite economy over contract hauling.

Expenses for the Acalanes District transport service have been normal in comparison with other school transportation services of comparable size Neil M. Parsons, Acalanes District superintendent reports.

The school bus system is being supervised by a committee composed of school trustees from each of the three districts served by the system.

Robert E. Key Christian Science Church President

Lieutenant Colonel Robert Ellis Key of London, England, was named president of The Mother Church, The First Church of Christ, Scientist, in Boston at its Annual Meeting attended by Christian Scientists from all over the world.

Colonel Key is associate editor of the Christian Science religious periodicals and formerly served as a lecturer. He s a Christian Science practitioner. In World War I he was decorated by the British Army with the Order of the British Empire, and granted the permanent rank of Lieutenant Colonel.

In its special message at the Annual meeting, the Christian Science Board of Directors said that spiritual understanding alone can pierce today's corruption in government and world confusion and lead mankind to lasting safety and security.

About 7500 Christian Scientists heard the message at the meeting.

The Directors said that human ingenuity alone will never solve mankind's deepest problems. But they added that the means for right adjustment are spiritual and are immediately available.

"Not numbers nor human might but Truth — spiritual understanding — is the power that will mold the world's destiny," they declared.

East Campus Sets No Summer Session

Because the East Contra Costa Junior College will be moving to its permanent campus, there will be no summer session, it has been announced.

The one at West campus, opens Monday, June 16, with final day for enrollment set for June 23. It will continue through August 8.

SHOPPING NEWS

We Went Places This Year!

1951-52 Don Athletes Get Up And Go; Win Individual and CCCAL Honors

THE GRINNING MUGS ABOVE were tops in each of their respective sports throughout the 1951-52 campaign.

Left to right we find Rick Murrey, hard driving fullback and accomplished weight man for coach Eaton's championship track squad. Art Siler, student body boss, excelled in football, basketball and track and earned a second team berth on the All-County basketball team.

Bob Borghesani, the "Big Boy" in Don Athetics for the past two seasons and participant in the annual All-Star baseball classic held June 14th at the Oak's park.

Doug Cooper, Neil Caldwell and Gary Coad were all important point winners when Acalanes walked away with our third consecutive track crown. Caldwell soared 12' 5½" in the pole vault. Cooper copped a surprise third in the North Coast.

Swimming ace Dick Hubach, pronounced by coach Arth as the greatest in Acalanes history. Howard Flanders, first man on our fine tennis team and county singles star for the second consecutive year. Bob Diehl, first string basketball and CCCAL golf champ.

Pilots to Stage Flood Operation

"Operation Tideland" will be held by the Civil Air Patrol starting 8 a.m. Sunday, June 15, at Buchanan Field.

Operations will consist of pilots observing and reporting various flood conditions such as water level, highway traffic, boat traffic, and levee conditions.

Czaja Exhibit To Be for Month

First one-man exhibition to be held at the Artists Market, 1045 Stuart Street, Lafayette, will be that of Michael Czaja, a director of Oudoor Art Shows, Inc., and director of the forthcoming Fourth Annual Art Fair. His work will be on display for one month following its opening tomorrow, when all interested artists and their friends in the area are invited to the preview opening, which will be held from 5 until 9 p.m.

At a kickoff luncheon at the home of Mrs. Peter Howard recently, plans were anounced for the Fourth Annual Art Fair September 7, 8 and 9, sponsored by Outdoor Art Shows, Inc.

Mrs. Stanley Bush, Membership chairman for the organization, has announced that this year's exhibition will emphasize the work of local artists and that memberships may be of a sponsoring nature, entailing no responsibility, or active, with full participation in the work of the Outdoor Art Shows, Inc.

Opening night of the Art Fair will be Saturday, September 6, at the homes of the Peter, Harmon and Charles Howards on Walnut Boulevard in Walnut Creek, and will feature refreshments, entertainment by Hawaiian dancers, and an auction of work contributed by artists in the Diablo Valley area.

Bryan O. Wilson In Heroic Plane Crash Rescue Try

Bryan O. Wilson, Contra Costa County Superintendent of Schools, narrowly escaped injury Sunday night when he attempted to drag two men from a plane that had crashed in flames near him at the Antioch airport.

Wilson's heroic attempt failed, however, to save the lives of pilot James Poswa, 24, of Gregory Gardens, and his passenger, William Stahlke, 28, Oakland. Both men were burned to death when their plane struck a power line and crashed in flames to the ground near Wilson's car.

Wilson was on his way back from Stockton where he had attended his daughter's College of Pacific graduation, when he heard a "peculiar noise." From the corner of his eyes, Wilson saw the plane as it hit the ground beside the road, not more than 50 feet from him.

Telling his wife to drive to Antioch for help, Wilson leaped out of the car and ran to the already burning plane. He tried to get the bodies out ,but met with no avail.

The county school chief suffered leg scratches from broken glass in the plane, and his clothes were torn when he leaped a barbed wire fence to reach the victims.

Flight Training Offered to High School Grads

A chance to fly with the Air Force is now being offered to young men with high school educations in Central Contra Costa County.

To qualify, the applicant must be between 19 and 26½-years of age, unmarried and a citizen of the United States.

Master Sergeant Bill Bailey of the local recruiting office said Parks Air Force Base, 16 miles from Walnut Creek, is the base selected for the West Coast for accepting men into cadet training.

After eight weeks of basic training, Bailey said, the accepted cadet then goes to San Antonio, Texas for the preliminary course.

In 13 months the cadet becomes a pilot and is commissioned a second lieutenant with a starting pay of about $5000 a year.

Bailey said he would be glad to speak with all interested men at his office, 1327 Main Street, Walnut Creek. His phone is Walnut Creek 9759.

'Slow' Signs? — Better Act Fast!

No question about it — if you want those "Slow" signs, you have to move fast!

The new supply received recently from the Frank E. Sellers Sign Company is just about exhausted — but by the time you read this, a new batch should be on hand at the Walnut Creek Sun office, 1409 Main Street, Walnut Creek; the Lafayette and Orinda Sun office, 1000 Orchard Road, Lafayette, and the Orinda Pixie Shop in Orinda Village.

The large attractive signs — "SLOW" — Children at Play" in white lettering on a red background — are offered by the SUNS at the cost price of $1.75 each, plus sales tax, as a public service.

Oaks' New Find Is Only 1 of 3 To Smack Ball on Don Diamond

By ERWIN MATTSON

NOTICE WHERE DAVE MANN, who attended Castlemont High in Oakland has signed a baseball contract with the Oaks and is figured to become a top star.

Mann is one of the three players who have been the only ones to hit a ball over the bank on the fly at the Acalanes diamond His swat occured back in 1950.

Only two others have achieved the same feat — Dick Green and George Cockerton, former Dons.

Dick is now playing with Modesto and in addition to pitching has been doing a bit of outfielding, due to hitting.

George Cockerton is just finishing the semester at San Luis Obispo, where his baseball was cut short by an accident, but he should be back at the horsehide game next season.

Shortest distance over the left field bank is 380 feet, and that's a long blow in any league.

SPEAKING OF BASEBALL, the Legion League appears to be like the high school one this past season, close all the way around.

Every club has lost in the opening round of play, and three games have been extra-inning affairs.

Pitching on the whole has been exceptionally good. The Lafayette Legion nine has three good throwers in Rick Johnson, "Red" Richard Jones and John Conley.

Rick is a junior, while Jones and Conley are Freshmen, which assures the Dons a good throwing staff next year, partcularly with the addition of the Walnut Creek Legion's ace hurler, John Olcott, also a Junior at Acalanes.

All four were on the Don Junior Varsity this year.

THE LAS LOMAS athletic plant is beginning to shape up, with a quarter-mile track and a 220 straight away well under way.

The football turf is scheduled to be planted inside the track oval very soon, and is on much the same plan as the Acalanes set-up.

Baseball is not on top for next season, but the field is being graded and laid out so as to be ready for the following year.

Particular attention is being given to drainage, which is all-important, as poor drainage can result in a diamond being unusable a good part of the time.

SUMMER VACATION may be here but the sports picture continues for a number of Don athletes.

Baseball players are engaged in Legion baseball, and some of the swimmers are engaged in summer meets.

Dick Hubach graduates but keeps his swimming up by taking part in a number of swimming meets during the summer under club sponsorship.

Dick holds about every record in the book at Acalanes, and Coach Lee Arth predicts a bright future in collegiate circles for his ace pupil.

Barbara Stark is in intensive training for the Olympic tryouts and plans on an active summer campaign with her sights set for the Olympic team.

TOMORROW IS the date of the All-Star baseball game sponsored by the American Legion, and it will be held in the Oakland Ball Park, with game time set for 2:30 p.m.

The Dons have two representatives in Bob Borghesani and Dick Fey, so it behooves a number of local fans to be on hand to root for them.

Admission to the All-Star classic is free, so come one, come all, as there are lots of seats to be filled.

THE SPORTS-MINDED are already beginning to turn to thoughts of football, and the recent job, as far as the athletic department is concerned, has been to get all those signed up who plan to take part in the pigskin sport next fall.

Names and addresses are important at this stage of the game, as they must be available in order to get out notices for issuance of gear and for medical examinations which are given prior to the opening practice, set for September 2.

New gear must be ordered on the basis of the number of prospective candidates.

All of last year's gear was cleaned, sterilized, and repaired at the end of the season. The big job is to check inventory and to fill in needed additional gear.

SPEAKING OF FOOTBALL, it would appear that Antioch is going all out to get back in the football picture.

They have hired a new coach, and he is bringing his assistant, with him, while the most recent acquisition is a second assistant. Antioch dominated the league for several years, then fell into second division play.

Pittsburg, as usual, looks to be the power next year, while Diablo has the number 2 spot rating.

The Dons lose heavily by graduation, but look for them to have a rugged line even if on the inexperienced side.

The big problem lies in the backfield, where lack of experience appears to be the main handicap, along with a lack of depth.

Concord Legion Bops Lafayette; Score – 8 to 5

The Concord Legion scored eight runs on nine hits last Sunday at the Acalanes diamond and as a result came through with an 8-5 win over the Lafayette Legion, which had its five runs on eight safeties.

Lafayette was off to a good enough start as Dale Isaacs scored in the opening frame after reaching first on an error by Concord Third Baseman Stan Gaunt and coming across the home plate when Jerry Macauley and Bob Dwight singled.

Concord came back to score in the second, bringing the count to one-all.

IT HAD BIG INNINGS in the third and fourth frames, scoring six runs on six hits as the Concord lads hit the offerings of Rick Johnson hard and often.

They added run number 8 in the top half of the ninth.

LAFAYETTE SCORED one in the seventh and one in the eighth.

The local nine put on a rally in the ninth, scoring twice on three hits, which drove Pitcher Bob Cox from the mound with Don Jordan relieving.

THE RALLY WAS cut short when with one away, Bob Dwight left first base to dispute a decision and was tagged out. The inning and game ended when Bart Ferro was out, pitcher to first.

Bob Dwight had two for four at bat, while Dick Lee led the visitors with three for five.

Rick Johnson was the losing thrower, and Cox received credit for the win.

THE BOX SCORE gave Concord 10 hits to Lafayette's eight.

The Lafayette Legion draws a buy in league play tomorrow, and resumes play Monday, when it crosses bats with the Walnut Creek Legion at Acalanes Field at 5 p.m.

Acalanes Pool Open to Public

The Acalanes pool will be open for the community during the summer under the direction of Charles Eaton of the Don coaching staff.

Admission for the pool runs 40 cents for adults; 30 cents for high school students and 20 cents for smaller children. The pool will be open every day except Monday from 1 to 6 p.m.

Everyone is invited to, "come on in and cool off," Coach Eaton declared. The activity is a community recreation service.

Richmond Downs Lafayette Nine In 4 to 2 Game

The Lafayette Legion nine traveled to Richmond last Saturday afternoon and dropped a 4-2 game.

The local club jumped to an early lead when it gathered two runs in the second. Bart Ferro, leadoff man in the inning, reached first when the third baseman threw wide. Andy Monsen struck out.

Bob Dwight singled and Ferro went to second. Paul Miller laid down a sacrifice bunt, advancing the runners to second and third.

BOTH SCORED on John Conley's single to center. The inning ended when Jerry Coakley grounded out to the shortstop.

Richmond scored in the third when Don Irvin doubled and raced home on a bobble by Shortstop Dale Isaacs.

RICHMOND SCORED two more in the fifth when Irvin singled, as did Ken Dye and both were home safe on Roy Tabor's double.

The three were enough for the win, but the Richmond Post added number 4 when Irvin got his third hit of the day, a double in the seventh, advanced to third on a bunt by Dye and came home on Wally Thornby's single to right field.

THE LOSS WAS the first for Lafayette in league play and found the Lafayette lads on the short end in the hitting department. They got eight hits to Richmond's 12.

Red Jones was charged with the loss, while "Preacher" John Roe of Richmond was credited with the win.

Jones led the Lafayette hitters with two for four, while Irvin had three for four for Richmond.

Canada Boosts Newsprint Cost

Newspapers throughout the country, including the Sun, recently were presented with a $10 a ton increase in the cost of newsprint paper, bringing the cost to $126 a ton.

The price boost stems from action in Canada, principal producer of newsprint for the United States, raising the price for the second time in one year.

The price hike brings the cost of newsprint to its highest point in the nation's history. Shortly before World War II, the cost of newsprint was approximately $40 per ton. The new price represents an increase of 152 percent.

New price levels affect all newsprint delivered after June 16.

Roadster Races Set for Weekend

The BCRA hard tops and the URI roadsters will return to Contra Costa Stadium this weekend with the tops rolling tonight and the hot rods taking to the oval tomorrow night.

The hard top program is being sponsored by the Antioch Lions, who will distribute a portion of the gate receipts to the needy. An added attraction will be an eight car destruction derby.

MEMORIAL CONTRIBUTIONS made to Contra Costa Heart Association are used for research and community service in the fight against heart disease.
